The Beast Hunter He Understands The Connection Between 666 And 91101:

The Mark of the Beast Godfrey Godfrey, 2015-06-03 The Scriptures is full of codes which have been placed for human identification and gain The problem often is that man does not always have the resources to unlock these codes While acquisition of the keys to these codes is within human grasp most men have not disposed themselves to seeking the truth of the Lord God and getting the corresponding benefit that is promised man Much of the time we read the genealogies of Bible characters with the lethargy of reading a very uninteresting subject Much of the time we glance past many of these convinced there is nothing relevant in them for the modern man However there is a lot to learn and to uncover in the Bible Some of the greatest secrets and the most sought after secrets are actually cached in the supposed boring genealogies The Scriptures is replete with numbers Often these numbers have overwhelming value and significance One number that has continued to hold a mysterious grip on many and defy explication is the number 666 There can be no doubt that numbers in the Scriptures need to be studied Numbers are signs A survey of signs of the Lord easily reveal that most signs of the Lord God are revealed to the beneficiaries being almost always the people that the signs are meant for Thus studying a number or group of numbers should not be limited to scholastic approach There is a need to incline or dispose oneself to the Lord for the necessary revelation Anything short of this may lead to conjecture and wrong assumptions which may not stand rigorous empiricism The one Book of the Scriptures that holds information relating to the mark of the Beast is the Book of Revelation The interesting thing about the Book of Revelation as it concerns this number is that it was never supposed to defy interpretation It is the wisdom of the Lord God that this code be used and it is also the understanding that the Lord God Himself gives that can break this code of a number Rev 13 18 Here is wisdom Let him that hath understanding count the number of the beast for it is the number of a man and his number is Six hundred threescore and six We can see from verse 18 just above that 666 is the number of a man This is a bit ambiguous Most persons have misinterpreted it to be the number of a mans identification card or credit card When the Scriptures talks of a man in this case it is generalizing meaning generic man and not a specific person Thus we can see that the beast is actually human In actuality the beast is both spirit and man It is the product of a fusion of a spirit and a human female The product is conspicuously a man but latently a spirit It is man that has degenerated to a sub human level The beast does not have the number of a beast or the attributes of a beast but that of a man This is because the beast is actually human It is redolent of the analogy of defining the Devil as a Serpent Thus instead of saying Devil the Scripture also uses Serpent while we are actually dealing with a being that is not a snake He is supposed to have been one of the best in Heaven Serpent is only used in analogy In the same vein beast is only a satirical application to a man who has refused to identify with the Lord God The Devil himself was the first beast the beast of Eden He came to the first people like a beast that is a serpent That is why he is known as the Serpent The anti Christ being one with the devil comes in the image and spirit of his father the Devil That is why he is equally known and addressed as the Beast The mark of

the Beast is not placed on animals but on man It is a sign which incorporates the numbers of the Living God and the number of the Devil It is an unholy alliance which is detested by the Lord God and cursed Read this book and understand without the least ambiguity what the Mark of the Beast is really all about You shall have your money refunded you if you have a better explanation to this and can prove it

o *Mark of the Beast* Charles Ruark, Jr., 2014-08-25 The number 666 is the world's most famous and mysterious number Much speculation has swirled around it and for two thousand years this number has remained largely unexplained What is the true explanation of the number 666 How does this number produce the mark of the beast Why is the mark vitally important to you and your family What is the Unicode Why does its existence clearly indicate a return to the days of Noah that Jesus spoke of in Matthew 24 37 and Luke 17 26 Who is the great harlot of Revelation 17 What does she represent What is Mystery Babylon This book is the definitive work regarding the number 666 As such it answers these questions and is an important read for anyone interested in a modern day interpretation of Bible prophecies This book also contains twenty seven full page illustrations harmonizing the prophecies of Daniel and Revelation in terms of current history Dr Ruark's theory of the mark in Revelation 13 16 18 earned my consideration at the outset because it represents the value 666 and not the mistaken combination of three 6's popularized by novelists and Hollywood He also avoided the historical mistake of choosing the number 616 found in a number of ancient but inferior manuscripts In addition to all that he rightly understands the Greek word for mark as just that a mark not an invisible microchip buried under the skin Finally the connection with the Unicode is a plausible and intriguing possibility that does not seem to conflict with John's description Perhaps the epsilon the Greek e that mainly forms the mark will also prove to be a clue to the name of the beast in the future Of course we dare not make the same mistakes of the past in illegitimately manipulating the number or any other aspect of the mark in such a way as to pin the mark on one of our contemporaries whom we despise but John did want his current and future readers to be on the watch for the beast and Dr Ruark has given us an interesting twenty first century perspective on these verses I enthusiastically recommend his book to readers for their consideration Don Wilkins Ph D in Classics Greek and Latin UCLA Th M Talbot Seminary Scholar in Residence Lockman Foundation Senior Translator for the New American Standard Bible

ICT and the Mark of Beast, 666 Donart Ngarambe, 2019-05-31 The world is coming to an end anytime soon and ICT will strongly be involved in the process according to Bible prophecies ICT will change people permanently and it is not a coincidence The Devil is behind it and God will be after him to punish the vice which will lead to the end of the world A few years ago it was unimaginable that the Revelation 13 16 17 concerning the deployment of the mark of the beast 666 would ever be fulfilled It's already happening electronic objects are being inserted into people's hands and heads for smarter ways of carrying out normal operations Sometimes we fear the mark of the beast 666 without really understanding the dangers that are associated with it and why the Devil is obsessed with it The danger is more in its objective than in the mark itself However ICT is not a bad idea per se ICT is a very good development to the society It has

brought a lot more benefits and wealth as well as easier and more efficient ways of doing things than at any other time in history. Indeed, it is the Fourth Industrial Revolution. The world has never had impact making technological breakthroughs as in the era of ICT. The only problem is that it provides a perfect infrastructure that Satan will leverage to deploy the 666 mark. About the Author: Dr. Donart Ngarambe has a PhD in Computer Engineering and has been a researcher and scholar in IT for 17 years. Dr. Donart Ngarambe has been born again since 1982 and is the author of *The Inexhaustible Wealth the World Knows Little About*.

666 The Mark of the Beast Jimmie L. Chapman, 2010-04-27. Author Jimmie Chapman introduces us to the great beast of a government that is prophesied for the last days. He explains its origins in the scriptures and how it will be formed from among the nations of the world. He reveals to us the frightening reality that the beast is already present in the world and how it is solidifying its power in preparation for taking over the whole world. He shows us how the beast will become satanic in nature, forcing its evil rule upon the world and how it will ultimately place its dreadful mark on the world's people to control every facet of their lives. He tells us in frightening detail how close we are to the reality of the mark of the beast. For a better understanding of the times we're living in, this is a must-read book.

"Is the Chip, the 666 Mark of the Beast?" Reverend Fred Davis, 2019-01-14. I saw two different news broadcasts on a CEO getting a microchip in his hand. And then the employees were next. The phrase they used on the local news at 6:00 was "The CEO is leading the way. They are starting today at the top of this company, starting with the CEO of the company leading the way. The blind leading the blind." I say, well, I know my Bible, and it says to let them take off your head before receiving the mark 666 in your hand. And don't let any man deceive you by any means. Well, I felt I had to get a warning out because let's face it, not everyone reads the Bible. And I also know how sly the old devil is. So these are my words: Don't take the chip. Get yourself in a good Bible-preaching church. Get ready; stay ready; things are wrapping up according to prophecies.
