The best of Argento ,1992 *Who's who in Italy* ,1997 *China's Millions* ,1917 **Henan** Paul Hattaway,2025-03-31
In *The China Chronicles* Paul Hattaway draws on more than 30 years experience in China and numerous interviews with church leaders to provide insight into how the Living God brought about the largest revival in the history of Christianity With more than 18 million believers the largest number in any province in China Henan has emerged as the Christian heart and soul of the world s most populated country In this book the fifth in the series Hattaway records the many attempts to reach the people of Henan with the gospel **Cinefantastique** ,1994 **Euro Horror** Ian Olney,2013-02-07 Beginning in the 1950s Euro Horror movies materialized in astonishing numbers from Italy Spain and France and popped up in the US at rural drive ins and urban grindhouse theaters such as those that once dotted New York s Times Square Gorier sexier and stranger than most American horror films of the time they were embraced by hardcore fans and denounced by critics as the worst kind of cinematic trash In this volume Olney explores some of the most popular genres of Euro Horror cinema including giallo films named for the yellow covers of Italian pulp fiction the S M horror film and cannibal and zombie films and develops a theory that explains their renewed appeal to audiences today *The European Magazine and London Review*, by the *Philological Society of London* ,1810 *The European Magazine, and London Review* ,1810 **American Journal of Numismatics** ,1916 *Edward and George Herbert in the European Republic of Letters* Greg Miller,Anne-Marie Miller-Blaise,2022-08-09 George Herbert 1593 1633 the celebrated devotional poet and his brother Lord Herbert of Cherbury 1583 1648 often described as the father of English deism are rarely considered together This collection explores connections between the full range of the brothers writings and activities despite the apparent differences both in what they wrote and in how they lived their lives More specifically the volume demonstrates that despite these differences each conceived of their extended republic of letters as militating against a violent and exclusive catholicity theirs was a communion in which contention or disputation served to develop more dynamic forms of comprehensiveness The literary philosophical and musical production of the Herbert brothers appears here in its full European context connected as they were with the Sidney clan and its investment in international Protestantism The disciplinary boundaries between poetry philosophy politics and theology in modern universities are a stark contrast to the deep interconnectedness of these pursuits in the seventeenth century Crossing disciplinary and territorial borders contributors discuss a variety of texts and media including poetry musical practices autobiography letters council literature orations philosophy history and nascent religious anthropology all serving as agents of the circulation and construction of transregionally inspired and collective responses to human conflict and violence We see as never before the profound connections face to face as well as textual linking early modern British literary culture with the continent
