Odysseys Home George Elliott Clarke, 2017-06-22 *Odysseys Home Mapping African Canadian Literature* is a pioneering study of African Canadian literary creativity laying the groundwork for future scholarly work in the field Based on extensive excavations of archives and texts this challenging passage through twelve essays presents a history of the literature and examines its debt to and synthesis with oral cultures George Elliott Clarke identifies African Canadian literature's distinguishing characteristics argues for its relevance to both African Diasporic Black and Canadian Studies and critiques several of its key creators and texts Scholarly and sophisticated the survey cites and interprets the works of several major African Canadian writers including Andr Alexis Dionne Brand Austin Clarke Claire Harris and M Nourbese Philip In so doing Clarke demonstrates that African Canadian writers and critics explore the tensions that exist between notions of universalism and black nationalism liberalism and conservatism These tensions are revealed in the literature in what Clarke argues to be paradoxically uniquely Canadian and proudly apart from a mainstream national identity Clarke has unearthed vital but previously unconsidered authors and charted the relationship between African Canadian literature and that of Africa African America and the Caribbean In addition to the essays Clarke has assembled a seminal and expansive bibliography of texts literature and criticism from both English and French Canada This important resource will inevitably challenge and change future academic consideration of African Canadian literature and its place in the international literary map of the African Diaspora

This Dying Thing David Payton,2012-06 The inspiration of this book came from the death of my mother Frances Edith Nix Tolliver She died February 19th 2007 She was born April 24th 1920 I was fortunate enough to have her 56 years of my life We are not raised to die we are raised to live even though the plot from mankind is like they would do sheep cows or chickens although you are cared for to a certain degree you are not going to make it out of this world alive My thought on this is that if we were raised to die there would probably be more tragedy probably be more destruction and chaos and then again maybe not I also agree that because there are enormous amounts of people and quite a few that would like to run the world a certain way we will never unite to a calm and peace that can exist given the right circumstances **Prayers** Lynn

Tolliver Jr.,2012-11-08 Every radio station I have worked at I have closed my show with words of God and good And since joining Jay King and becoming the founder of the Jay King Network I have again taken a role in prayer The original prayers were spoken and conceived by Jay Kings cousin Anthony A K King and after his departure from the show it kind of fell in my lap but I have no qualms in speaking about God and the wonderful world we have because of him The prayers are not in any particular order but they may relate to something that may be current in the word and you may be able to tell what things were going on based on the prayer In the event some of the prayers are repeated maybe you need to see them again Again thank you for your time and energy precious moments they are and Im glad youve shared them with me Lynn Tolliver Jr

David Payton **Prayers II** Lynn Tolliver jr.,2012-12-04 Every radio station I have worked at I have closed my show with words of God and good And since joining Jay King and becoming the founder of the Jay King network I have again taken a roll in prayer The original prayers were spoken and conceived by Jay Kings cousin Anthony A K King and after his departure from the show it kind of fell in my lap but I have no qualms in speaking about God and the wonderful world we have because of him For the most part these prayers are not in any particular order but they may correspond with something that was currently happening at the time the prayer was written And you may be able to tell what things were going on based on the prayer In the event some of the prayers are repeated maybe you need to see them again Because I wasnt organized the first time around nor did I write the prayers as if I were going to do a book I didnt really keep accurate track of the prayers so some of the prayers may be in the first prayers book but from what Ive seen very little Hope these words inspire you to become who you want to be and to have belief in yourself Again thank you for your time and energy precious moments they
