The Bethnal Inheritance:

The Bethnal Inheritance Martha Whitfield, 1981 *Family and Kinship in East London* Michael Young, Peter Willmott, 2013-05-13 First published in 1957 and reprinted with a new introduction in 1986 Michael Young and Peter Willmott's book on family and kinship in Bethnal Green in the 1950s is a classic in urban studies A standard text in planning housing family studies and sociology it predicted the failure in social terms of the great rehousing campaign which was getting under way in the 1950s The tall flats built to replace the old slum houses were unpopular Social networks were broken up The book had an immediate impact when it appeared extracts were published in the newspapers the sales were a record for a report of a sociological study Government ministers quoted it But the approach it advocated was not accepted until the late 1960s and by then it was too late This Routledge Revivals reissue includes the authors introduction from the 1986 reissue reviewing the impact of the book and its ideas thirty years on They argue that if the lessons implicit in the book had been learned in the 1950s London and other British cities might not have suffered the anomie and violence manifested in the urban riots of the 1980s **Pictures and Drawings** Wallace Collection (London, England), Dugald Sutherland MacColl, 1920 Wallace Collection Catalogues Wallace Collection (London, England), 1920 **The New East End** Michael Young, Kate Gavron, Geoff Dench, 2011-09-30 This is non fiction Brick Lane what life is really like around Brick Lane and the East End One of the most influential non fiction books of the 1950s was *Family and Kinship in East London* which examined in great depth the life of people living in the dockland areas that had been so comprehensively destroyed in the blitz What has happened since In the 50 years since the whole area has gone into terrible decline has been comprehensively redeveloped sometimes more than once and most important of all has seen the traditional families largely leave to be replaced by a huge influx of Bangladeshi families many of whom are now into the second generation What are their lives like How is the community coping with the radical change What are relations like between the old white population and the new Asian population Does government policy affect racism Here the authors show startlingly that housing policies have made race relations much worse and must be changed This will be very controversial The book is a comprehensive examination of life in one of the most intriguing parts of England but it stands for all Britain and indeed everywhere in the world with large new immigrant populations **The Magician's Diary** C.J. Archer, 2017-09-05 A USA Today Bestseller India and Matt thought all their problems would come to an end once they found Chronos But the watch magician brings with him as many questions as answers and a load of trouble To fix Matt's magic watch they must find an old diary that once belonged to a doctor magician murdered decades ago The hunt drags them into a sordid mystery involving two of London's craft guilds With old and new enemies determined to stop them and long held secrets unearthed Matt and India must work together better than ever But as the reason for India's strangely strong magic is revealed she wants to draw other magicians into the open while Matt wants to hide magic to keep her safe Her plan backfires His plan shatters And danger comes to their door *Reports of the Institute of Community*
