The Better Half Of Life:

The Better Half Sarah Harte,2011-04-28 Anita is a wife on the edge Thanks to her husband Frank s success in business she has lived a lavish lifestyle at the heart of the city s elite However now that the economy is in freefall it seems the days of boozy lunches with the girls glittering charity balls and competitive designer shopping are over Still though the banks are breathing down their necks and their marriage is far from perfect Anita had believed she and Frank would pull through After all they came from nothing That was until she heard news that shook both her marriage and the family she thought happy and secure to its foundations As she faces meltdown Anita is haunted Why did she walk away from her one chance to prove herself on her own terms What happened to the love that was once so overwhelming And how did she let herself get lost in an empty high rolling lifestyle Anita has to find herself again but how do you do that when you re just someone else s better half

Living Whole Without a Better Half Wendy Widder,2014 How to live happily ever after if your prince or princess never shows up There are more singles in and out of the church today than ever before Wendy Widder knows the struggles of being single from the inside out and she has something to say While there is no shortage of books about singlehood on the market Widder s approach is markedly different In *Living Whole Without a Better Half* readers study the character in Hebrews 11 Widder uses these Biblical examples to show readers how to embrace singleness as an abundant life and a God given gift not as an unfortunate stage they should move past as quickly as possible By examining the lives of biblical heroes such as Abraham Moses and Jacob she reveals that trying to bargain with God to follow our plans and timing often keeps us from appreciating the opportunities he places in our path Widder makes her case with wit and a wry humor that readers will appreciate and come back to again and again Now with updated statistics and a new preface *Living Whole Without a Better Half* includes study questions that make it a great Bible study or small group resource
