The Law of Success Napoleon Hill, 2025-01-01 The Law of Success is a book written by Napoleon Hill in 1925. It was originally released as a set of 15 separate booklets before being consolidated into a single tome. The Law of Success in 16 Lessons is an edited version of Napoleon Hill's first manuscript, which was reworked under the advisement of several contributors. This version was initially published in 1928 as a multi-volume correspondence course. Later editions consolidated the material into a single book. Hill frequently refers to The Temple of Success and cites the laws and their collective understanding to be the door to the Temple of Success. It is the author's stance that thinking is the most organized form of energy. The 16 lessons include The Law of the Mastermind, A Definite Chief Aim, Self-Confidence, Habit of Saving, Initiative and Leadership, Imagination, Enthusiasm, Self-Control, Doing More than Paid For, A Pleasing Personality, Accurate Thinking, Concentration, Cooperation, Profiting by Failure, Tolerance, and The Golden Rule.

The Law of Success Napoleon Hill, 2021-03-23 Napoleon Hill's Original Master Class on Individual Achievement. Before the landmark

book Think and Grow Rich came The Law of Success an eight volume series in which Hill presents the complete Science of Success philosophy Originally published in 1928 this success system contains sixteen lessons on personal achievement gleaned from interviews with and research on over 500 top performers from various industries and walks of life Now condensed for your convenience into one compact volume curated by the Trustees of the Napoleon Hill Foundation The Law of Success details the exact steps by which any individual can harness the power of thought to turn their dreams into reality This is much more than a guide or roadmap it is a total lifestyle makeover with concrete resources for everyday application If you are serious about becoming the best version of yourself in your field your relationships your health and your finances then you are ready for the original master class on success A message from the executive director and CEO of the Napoleon Hill Foundation There have been many requests over the years for a version that is more concise and compact yet contains the core lessons discovered and set forth in the discussion of the sixteen success principles The Trustees of the Napoleon Hill Foundation heard these requests and took on the task of producing such a book containing what they viewed as the essential lessons and most important portions of the original work and what you are about to read is the result This version has dispensed with the third party quotations and After the Lesson essays in the original work deleted some stories that were repeated in other of Hill s books published after 1928 and eliminated repetition rightly valued by Mr Hill as a learning method but not appropriate for a compact volume The Trustees believe and hope you will agree that the resulting volume contains all the essential wisdom of this groundbreaking work Law of Success I have been the Executive Director of the Napoleon Hill Foundation since 2000 and I and the other Trustees who contributed to this work have nearly 200 years combined years of service to the Foundation I believe they are singularly equipped to produce the best distillation of Napoleon Hill s seminal work and am proud to present this book for your enjoyment appreciation and education Don M Green Executive Director Chief Executive Officer and Trustee *Law of Success: The 21st-Century Edition* Napoleon Hill,2004-06-26 Teaching for the First Time in the History of the World the True Philosophy upon which all Personal Success is Built You Can Do It if You Believe You Can THIS is a course on the fundamentals of Success Success is very largely a matter of adjusting one s self to the ever varying and changing environments of life in a spirit of harmony and poise **The Law of Success** Napoleon Hill,2011-01 Originally published as an eight volume set in 1928 The LAW of SUCCESS: the Complete Sixteen Lessons Napoleon Hill,2016-08-05 The Law of Success in 16 lessons the first book by Napoleon Hill is not only the precursor and the base of Think and Grow Rich it is Think and Grow Rich on Steroids It was originally released as 16 books each book dedicated completely to one of the LAWS OF SUCCESS that we will see ten years later in Think and Grow Rich among the five best selling books of all times being number one The Bible But because of the different format and because this book is so much bigger than Think and Grow Rich Hill is able to give more examples and to explain each of the laws completely and with a deepness that was impossible to achieve in his best selling classic Since the course that we bring

now in one book was supposed to be a series of installments each lesson is a stand alone book in itself Then you can go back to Think and Grow Rich and understand it in a way that you couldn't before Yet again all the information is already here deeper and with more examples and explanations This is without a doubt the ultimate course on Success *The Law of Success* Napoleon Hill, 2019-05-23 This is the original Version of Napoleon Hill's book The Law of Success in 16 Lessons is Napoleon Hill's first manuscripts which were reworked under advisement of some of the contributors and first published in 1928 **The Law of Success in Sixteen Lessons by Napoleon Hill** Napoleon Hill, 1928 Large Print Napoleon Hill's complete and original formula to achievement In his own words Teaching for the First Time in the History of the World the True Philosophy upon which all Personal Success is Built This large print book presents lessons Eight to Sixteen Please refer to the accompanying book which presents lessons One to Seven
