The Laws of Eternal Life, Etc Stewart Duckworth Headlam, 1897 *The Laws of Eternal Life* Stewart Headlam, 2014-03-29 This Is A New Release Of The Original 1895 Edition **Obedience to the Law of Love the Only Assurance of Everlasting Life: a Sermon ...** Edward Owen (Fellow of Jesus College, Oxford.), 1854 *The Laws of Eternal Life* Stewart Duckworth Headlam, 1897 *The Works...* Joseph Bellamy, 1812 After Merit Charles Raith II, 2016-07-11 In this study Charles Raith II fills a gap in Reformation era scholarship by analyzing Calvin's teaching on works and reward in light of medieval theological developments surrounding the doctrine of merit. While significant analysis has been given to Calvin's doctrine of justification, its relation to sanctification, the notion of union with Christ, and the role of participation, there is as yet no sustained analysis of how these teachings are shaped by the most hostile and pervasive of his polemics, namely his confrontation with a merit-based framework for understanding Christian salvation. This volume, however, interprets Calvin's own theological constructions as contextually determined by the reigning polemics of his day. In addition, previous scholarship on these topics has largely failed to properly contextualize Calvin's own thought against the background of scholastic theological developments that Calvin both accepts and rejects in the formulation of his own theology. After Merit addresses these gaps by 1) analyzing Calvin's tracts, scriptural commentaries, and Institutes to demonstrate Calvin's unique disdain for the doctrine of merit among the early Reformers and the pervasiveness of this polemic within his theological program; 2) reviewing the scholastic developments surrounding the doctrine of merit from the High to Late Middle Ages as background to Calvin's thought; 3) highlighting Calvin's principal problems with the doctrine of merit, the competitive causal schema between divine and human causality, merit as a basis for justification, and good works as deserving of reward; and 4) unpacking Calvin's theology of justification, sanctification, the worth of works, and the role of works in salvation as an alternative to the opponents' doctrine of merit. The volume concludes by reflecting on the reception of Calvin's theology of works and reward in later Reformed thought. The Times and Seasons, 1845 *When does the law end for a Christian?* Peter Williams, Booklets in this first series: On which days was Christ crucified and resurrected? Can we know the year of Christ's crucifixion? Does the Bible's Creation account accord with scientific discovery? Was Christ crucified on a cross? Why should families symbolise the church and kingdom of God? Who should take the bread and wine and when? Can we be born again during this earthly life? What annual festivals should Christians celebrate? Is there a Holy Spirit? God person? What is the true gospel? When does the law end for a Christian? Should Christians celebrate a weekly Sabbath? Each booklet in this series focuses on one theme that is also covered more briefly in the 350-page book *Israel and the Covenants in New Testament Times*. Each study's conclusions come from what the Bible reveals consistently, answering all the objections the writer has heard to leave nothing even apparently contradicted by any other Bible text. By this means, they confirm that the booklet provides rock-solid Bible truth and that the Bible is truly the word of God. Despite this, as the booklets series title suggests,

these conclusions are typically unexpected a primary aim in writing and sharing them If you find anything unpalatable please recognise that God is the real author of what these booklets show and the author little more than a researcher and collator of the subject matter Therefore if you the reader cannot refute what a booklet in this series asserts directly from the Bible surely nobody can please give God your thanks and praise for allowing you to come to the truth from Him Israel and the Covenants in New Testament Times may be ordered on line in the UK from Amazon co uk or at good bookshops and internationally from Amazon com in paperback or Amazon Kindle format A4 352 pages Paragon Publishing ISBN 10 1 908341 68 8 ISBN 13 978 1 908341 68 6 *Luke and the Law* S. G. Wilson, 2005-10-06 The author examines the theme of law in Luke s Gospel a rarely discussed topic *The Sunday School Journal* ,1888
