John Devine

The Laymans Bible Commentary Volume 23:

The Layman's Bible Commentary Balmer H. Kelly, 1959 **The Layman's Bible Commentary** Balmer Hancock Kelly, Donald George Miller, 1964 **Layman's Bible Commentary** Layman, 1963 *A Layman's Commentary Volume 8* John Devine, 2014-07-28 In today's world it can be difficult to maintain your faith. Those seeking a greater understanding of the Bible have numerous excellent theological commentaries available to them but due to volume and depth many of these are out of reach of laypeople. Others lose contact with the Bible because it no longer seems relevant to life. They use a superficial knowledge of science and evolution to exclude God and faith from their experiences. The Laymans Commentary Volume 8 General Epistles presents a passage by passage explanation of the nine letters of the Bible to the early churches from general authors who were eyewitnesses or associates and spoke of their experience of Jesus. In this eighth volume author John Devine explains the practical relevance of these documents as they relate to effective everyday living. He considers the relevance of creation and science as well as God's moral standard which is of vital importance in modern society. These letters are shown to conform with the Gospels and the letters of Paul. Hebrews explains the connection of the Old Testament with the First Coming of Jesus. Revelation describes the fulfillment with the Second Coming of Jesus. God's plan for a relationship with the individual is explained with the means by which this was made possible by the death and resurrection of his Son. The notes confirm that science and faith are complementary in giving purpose and meaning to life. The expectation of eternal life is also assured. **The Layman's Bible Commentary: Genesis** Balmer Hancock Kelly, 1959

The Layman's Bible Commentary: Exodus Balmer Hancock Kelly, Donald George Miller, 1959 *A Layman's Commentary Volume 7* John Devine, 2014-05-08 In today's world it can be difficult to maintain your faith. Those seeking a greater understanding of the Bible have numerous excellent theological commentaries available to them but due to volume and depth many of these are out of reach of laypeople. Others lose contact with the Bible because it no longer seems relevant to life. They use a superficial knowledge of science and evolution to exclude God and faith from their experiences. The Laymans Commentary Volume 7 Epistles of Paul presents a passage by passage explanation of the thirteen letters of Paul to the early churches. In this seventh volume author John Devine considers the writings of the academic theologian specialist in the Old Testament Scriptures and apostle to the rest of the world as they relate to effective everyday living. Paul's deep understanding of the work and teaching of Jesus are addressed explaining God's plan for a relationship with the individual and the means by which this was made possible by the death and resurrection of his Son. The expectation of eternal life and other important doctrines of the Christian worldview which have impacted people of all subsequent generations are highlighted and confirm that science and faith are complementary in giving purpose and meaning to life. **The Preacher's Commentary - Vol. 20: Ezekiel** Douglas Stuart, 2004-07-28 Written BY Preachers and Teachers FOR Preachers and Teachers. Combining fresh insights with readable exposition and relatable examples. The Preacher's Commentary will help

you minister to others and see their lives transformed through the power of God's Word Whether preacher teacher or Bible study leader if you're a communicator The Preacher's Commentary will help you share God's Word more effectively with others This volume on Ezekiel pays special attention to unpacking the prophet's historical particularity confusing apocalypticism and frequent repetition Each volume is written by one of today's top scholars and includes Innovative ideas for preaching and teaching God's Word Vibrant paragraph by paragraph exposition Impelling real life illustrations Insightful and relevant contemporary application An introduction which reveals the author's approach A full outline of the biblical book being covered Scripture passages using the New King James Version and explanations The Preacher's Commentary offers pastors teachers and Bible study leaders clear and compelling insights into the Bible that will equip them to understand apply and teach the truth in God's Word

Biblical Women--Submissive? Joe E. Lunceford, 2009-10-02 For many years I have had an interest in the equality of women and men particularly in the church where it has been woefully lacking for the most part More recently Fundamentalist theologians have become increasingly blatant in asserting that the Bible teaches subordination of women to men both inside and outside the church I have argued that this idea results from an irresponsible proof texting from the Bible I am convinced that when taken as a whole looking at all passages referring to women the Bible supports the complete equality of women with men I have undertaken to demonstrate this fact by looking carefully at the stories of women in the Bible both named and unnamed who were not submissive to men and who refused to settle for the role which their society attempted to assign them I have taken these passages from the Bible and interpreted them within the context into which they are placed to the degree that this can be determined My goal was to find every story in the Bible in which a woman stepped out of her societal role and did something only men were supposed to do I leave to the reader to decide whether or not I have succeeded

A Layman's Commentary Volume 1 John Devine, 2013-11-12 In today's world it can be difficult to maintain your faith Those seeking a greater understanding of the Bible have numerous excellent theological commentaries available to them but due to volume and depth many of these are out of reach of laypeople Others lose contact with the Bible because it no longer seems relevant to life They use a superficial knowledge of science and evolution to exclude God and faith from their experiences The Layman's Commentary Volume 1 Book of the Law presents a passage by passage explanation of the first five books of the Bible known as the Pentateuch In this first volume author John Devine covers biblical passages from the Beginning to the end of the Exodus from Egypt He explains God's self revelation and plan for a relationship with humankind He considers the relevance of creation and science as well as God's moral standard which has been the backbone of Western society Devine also lays out the basis for a full and rewarding relationship with God The first book in The Layman's Commentary Volume 1 Book of the Law provides many proven principles for life and leadership Devine provides examples from life based on characters and situations They confirm science and faith are complementary in giving purpose and meaning to life
