The Legacy Of Nehru:

The Legacy of Nehru K. Natwar-Singh, 1965 Recollections by fifteen of his contemporaries from many parts of the world

The Legacy of Nehru, 2025-10-27 Even after 127 years Jawaharlal Nehru remains a beacon for India He was a titan who provided the architecture of contemporary India The credit for much of India's progress in myriad fields goes to him This volume however is not a eulogy to that great visionary It provides rather a critical examination of his legacy in various fields such as his promotion of India as the Union of federating states building up of the structure of democratic institutions enunciation of viable foreign policy laying the path of economic development on the foundations of equality and cultivating secular ethos The primary objective of the book is to assess the imprint that Nehru has left behind and the impact that his thoughts and actions produced on the people of the present and succeeding generations The volume deliberates on the question whether Nehru had a well defined economic ideology or foreign policy which could be given a recognized label It also focuses on how Nehru handled the various sectors and institutions of society While this volume praises Nehru for providing a durable basis for India's democratic institutions and for endowing them with much legitimacy it also evaluates many of his negative legacies such as license raj the border problems with China and Pakistan divisive domestic electoral politics politicization of minorities as vote banks the Kashmir problem and corruption in public life *The Legacy of*

Jawaharlal Nehru Yamaguchi Hiroichi, 2019-01-01 This book taking the same holistic approach as in the author's previous one on Gandhi has tried to connect Nehru's thought and activities in different fields of his life It first reveals Nehru's view of the world the history and India by re-reading his three major works Chap 1 It then analyses his dialogue with Gandhi This part is reinforced by critically referring to Dipak Malik's view Chaps 2 3 A discussion of Nehru's economic policies follows which is reexamined through the eyes of Jean Dreze and Amartya Sen from the point of view of poverty and development Chaps 4 5 The political activities of Nehru in the more usual sense his politics relations with Sardar Patel and his foreign policy are the theme of the next part of the book Chaps 6 8 The author has tried to make the Indo-Chinese relations and the war of 1962 understandable as these are of enormous implications to the whole of Asia Chaps 9 10
