The Legislative Process A Comparative Approach:

The Legislative Process in Congress and the States Pennsylvania Political Science and Public Administration Association, 1961 **The Legislative Process** David M. Olson, 1980 Patterns of Parliamentary Behavior Herbert Döring, 2017-03-02 This volume begins where the first D ring book of 1995 finished by considering what effects the rules had on legislative output during the same period It addresses four distinct yet complementary research topics the connection between a number of veto players and law production in West European parliamentary democracies the impact of closed versus open rules the effects of committee structure and organization on the degree of conflict or consensus on the procedure of passing legislation the importance of agenda setting and agenda control for the prevention of cycling across issues and the distribution of particular benefits of shifting and transient majorities Fundamental to this volume is the ability of the project group to fashion an original data set As a consequence this volume is able to ascertain the extent to which parliamentary procedures contributed to shaping policy output in this field during the 1980s **The New Parliaments of Central and Eastern Europe** Philip Norton, David M. Olson, 2013-11-05 What role have parliaments played in the dramatic changes occurring in Eastern and Central Europe Adopting a common research framework the contributors analyse in detail the role and operations of parliaments in ten of the new democracies They focus on what determines their capacity to have some impact on public policy They identify the significance of parliaments operating in often hybrid systems of government with the relationship between the executive and legislature not well defined and with an absence of constraining influence that typify western political systems **Ibss Poli Sci 29 1980** "International Committee For Social Sciences Documentation", 2013-10-15 The International Bibliography of the Social Sciences IBSS is an essential tool for librarians academics and researchers wishing to be kept up to date with the published literature in the social sciences IBSS is compiled in four divisions Anthropology Sociology Economics and Political Science This is Volume XXIX of the International bibliography of political science as of 1980 *The Jonathan Presidency* John A. Ayoade, Adeoye A. Akinsanya, Olatunde J. B. Ojo, 2013-12-20 The Jonathan Presidency provides a comprehensive and unique analysis of Nigerian president Goodluck Jonathan's first twelve months in office The Jonathan Presidency analyzes the ability of the featured Nigerian politicians to deliver their electoral promises protect and uphold the Nigerian Constitution and sustain a transparent citizen friendly administration **Cohesion and Discipline in Legislatures** Reuven Y. Hazan, 2006 This book previously published as a special issue of the Journal of Legislative Studies asks why legislative unity is one of the distinguishing features of modern political parties *The Parliament of Bangladesh* Nizam Ahmed, 2018-02-06 This title was first published in 2002 This comprehensive account of the growth decline and resurgence of parliament in Bangladesh examines the new parliament that have been elected in Bangladesh since the 1990s It identifies key dimensions of their activities such as the nature of legislation passed the types of issues raised the strategies that members have adopted to get things done the techniques they

have used to resolve conflicts and the measures they have taken to strengthen the parliament Examining the role of the opposition MPs and government back benchers in the parliamentary process Nizam Ahmed also provides an insightful guide to the factors that influence behaviour and analyzes their significance for democratic consolidation Combining both theory and practice this worthy contribution will prove its value as both an accessible reference and a revealing read to parliamentarians and parliamentary scholars alike

Parliaments in Contemporary Western Europe Philip Norton, 2013-10-23 The relationship between parliament and government is fundamental to a political system In this volume a distinguished team of specialists explore that relationship and consider to what extent parliaments have the capacity to constrain governments Are there particular institutional features such as specialisation through committees that enhance their capacity to influence public policy

The New Roles of Parliamentary Committees Lawrence D. Longley, Roger H. Davidson, 1998 Parliaments had been expected to decline in significance at the end of the 20th century but instead they have developed new and vital political roles and have innovated their institutional structure in parliamentary committees not only in a few parliaments but as a global phenomenon
