The Librarian and His World E.R. Chamberlin, 1968 **The Librarian and Book World**, 1960 *The Chevalier d'Eon and his Worlds* Simon Burrows, Jonathan Conlin, Russell Goulbourne, Valerie Mainz, 2011-10-20 Cross dressing author envoy soldier and spy Charles d Eon de Beaumont s unusual career fascinated his contemporaries and continues to attract historians novelists playwrights filmmakers image makers cultural theorists and those concerned with manifestations of the extraordinary D Eon s significance as a historical figure was already being debated more than 45 years before his death Not surprisingly such sensational material has attracted the attention of enthusiasts scholars and literateurs to the strange case of the chevalier d Eon He has also attracted the attention of psychologists and sexologists and for most of the last century his gender transformation has been viewed through a Freudian lens His cross dressing it was usually assumed must have a psychosexual explanation Until the second half of the twentieth century the terms Eonist and Eonism were the standard English words for transvestites and transvestism respectively but Eonism was also thanks to Havelock Ellis widely regarded as a psychological condition or compulsion However in the mid twentieth century new ideas about gender identity disorders led to d Eon being redefined not as a transvestite but a transsexual a person who considers their sex to have been misassigned The essays in this collection contribute to d Eon s rehabilitation as a figure worthy of scholarly attention and display a variety of disciplinary approaches Drawing on new research into d Eon s life this volume offers original and nuanced readings of how a gender identity could come to be negotiated over time **The Librarians of Congress**

Christian A. Nappo, 2016-02-04 For over 200 years the Library of Congress has served as our national library Since its establishment in 1800 thirteen librarians have served as the institution s head librarian Sadly little is known about most of them *The Librarians of Congress* is the first book to contain the biographies of all these librarians Beginning with a brief history of the Library of Congress the book then contains short biographies of each of the thirteen Librarians of Congress beginning with John J Beckley and ending with James H Billington Each biography is accompanied by a photograph A subject index concludes this work **The Librarian's Spell** Patricia Rice, Can a timid librarian and a bold engineer save a castle s toppling tower of books The stereotypical reserved librarian Lydia Wistan has only one true love the books that whisper to her But unless she can understand the whispers she cannot become what she wants to be more than anything the Malcolm Librarian Maxwell Ives has a disastrous gift for attracting women a trait that has resulted in three sons and a desire for solitude Returning to England to find a school for one of his boys Max seeks privacy in the isolated Malcolm library But to Max s dismay the old librarian dies leaving Miss Wistan a female in charge Before he can run far far away he learns the library tower is in danger of toppling and his cousin is stealing from his mother s School of Malcolms To save the library and Max s family funds Lydia must claim to be what she is not a real librarian Fascinated that his magnetism doesn t affect the one woman who can help him Max must choose between his freedom and his family In the process of helping others Max and

intellectual pursuit quickly transforms into a tension laden dance between two souls Ryan is fueled by bold fantasies and a deep need for validation seeing in Clara a coveted conquest that might appease his youthful insecurities Clara in turn is unexpectedly awakened by Ryan's brazen youth and unveiled desire reliving echoes of her own past passion The library with its intoxicating scent of ancient paper and seasoned leather becomes a crucible for their forbidden attraction Every touch every whisper every lingering glance ignites electric jolts between them threatening to shatter Clara's facade of rigid self control Their nascent passion however is permeated by danger The constant suspicious surveillance of Victor another librarian looms like a sword of Damocles threatening to expose their clandestine connection The thrill of imminent discovery only amplifies their desire transforming the silent archive into a stage for their audacious transgression As Ryan delves deeper into the labyrinth his academic ambition inextricably intertwines with his carnal desire He believes Clara is the key not only to unlocking the manuscript that could launch his academic career but also to an intense unknown pleasure his youth has yet to unveil Their intertwined destinies promise a journey where passion and knowledge collide and where the secrets buried in ancient tomes are reflected in the long hidden desires of the human heart Will Clara yield to the seductive call of her reawakened sensuality Will Ryan uncover both the academic treasure and the forbidden pleasures he so desperately craves or will Victor's scrutiny expose their daring secret shattering Clara's impeccable image and jeopardizing everything The Librarian's Secret invites you to discover what lies between the lines and beyond the prohibitions
