King Al Ron Howell, 2021-10-12 The incredible story of the man and legend who has come to symbolize the continuing pursuit of justice for Blacks in the United States Through the 1980s the mainstream press portrayed the Reverend Al Sharpton as a buffoon a fake minister a hustler an opportunist a demagogue a race traitor and an anti Semite Today Sharpton occupies a throne that would have shocked the white newspaper reporters who covered him forty years ago A mesmerizing story of astounding transformation craftiness and survival King Al follows Reverend Sharpton's life trajectory from his early life as a boy preacher to his present moment as the most popular Black American activist minister cable news host In the 1980s Rev Al created controversies that would have doomed a lesser man to the dustbin of history Among these controversies were his work with the FBI as the agency attempted to locate Black Liberation Army leader Assata Shakur and his involvement in the 1987 Tawana Brawley episode Regarding the Brawley matter a white prosecutor sued Sharpton successfully for falsely accusing him of having raped the then fifteen year old Brawley It was the white press in its glory days that created the podium from which Sharpton became both famous and infamous Those reporters would joke that the most dangerous place in New York was between Al Sharpton and a television camera But it was those reporters who made Sharpton the media figure he is today Today as host of MSNBC's PoliticsNation news program Sharpton has more news viewers than those reporters ever had readers The Reverend Al's rise to respectability is a testament to an endurance and boldness steeped in Black American history Born in Brooklyn to parents from the old slave holding South he transformed himself into one of the most respected and politically influential Blacks in the United States In his in depth coverage author Ron Howell tells the stories of Sharpton's ascendance to the throne He tells us about the glory years of American newspapers when Sharpton began his rise And he tells us about the politicians who intersected with Sharpton as he climbed the ladder King Al is an engaging read about the late twentieth century history of New York City politics and race relations as well as about the remarkable staying power of the colorful politically skillful and enigmatic Sharpton The Rumble in the Jungle Lewis A. Erenberg, 2021-09-14 The 1974 fight between Muhammad Ali and George Foreman staged in the young nation of Zaire and dubbed the Rumble in the Jungle was arguably the biggest sporting event of the twentieth century The bout between an ascendant undefeated champ and an outspoken master trying to reclaim the throne was a true multimedia

spectacle A three day festival of international music featuring James Brown Miriam Makeba and many others preceded the fight itself which was viewed by a record breaking one billion people worldwide Lewis A Erenberg s new book provides a global perspective on this singular match not only detailing the titular fight but also locating it at the center of the cultural dramas of the day *The Rumble in the Jungle* orbits around Ali and Foreman placing them at the convergence of the American Civil Rights movement and the Great Society the rise of Islamic and African liberation efforts and the ongoing quest to cast off the shackles of colonialism With his far reaching take on sports music marketing and mass communications Erenberg shows how one boxing match became nothing less than a turning point in 1970s culture *Heavyweight Title Fights of the 1980s* Steve Hunt, 2025-02-07 Bookended by two all time greats in Larry Holmes and Mike Tyson the much maligned 1980s were significant in heavyweight boxing Holmes dominated the first half of the decade but the Easton Assassin struggled to escape the shadow of Muhammad Ali Holmes did establish a legacy of greatness despite stumbling in his attempt to surpass Rocky Marciano s unbeaten record of 49-0 The second half of the decade saw the meteoric rise of Mike Tyson who cleaned out and unified a fractured heavyweight division through the HBO unification tournament The 80s was also the decade of fighters collectively known as the lost generation of heavyweights That included the likes of Greg Page Tony Tubbs Tim Witherspoon and Michael Dokes who for various reasons couldn t sustain a period at the top of the game However they still deserve to be remembered for more than their failings This book presents a thorough history of a stunning decade in heavyweight boxing covering all 46 world title fights in detail *Beyond the Black Power Salute* Gregory J. Kaliss, 2023-04-18 Unequal opportunity sparked Jim Brown s endeavors to encourage Black development while Billie Jean King fought so that women tennis players could earn more money and enjoy greater freedom Gregory J Kaliss examines these events and others to guide readers through the unprecedented wave of protest that swept sports in the 1960s and 1970s The little known story of the University of Wyoming football players suspended for their activism highlights an analysis of protests by college athletes The 1971 Muhammad Ali Joe Frazier clash provides a high profile example of the Black male athlete s effort to redefine Black masculinity An in depth look at the American Basketball Association reveals a league that put Black culture front and center with its style of play and shows how the ABA influenced the development of hip hop As Kaliss describes the breakthroughs achieved by these athletes he also explores the barriers that remained and in some cases remain today *The Cambridge Companion to Boxing* Gerald Early, 2019-01-24 Offers accessible and informative essays about the social impact and historical importance of boxing around the globe **The Greatest Criminal Cases** J.
