The Life Story of Brigham

Young Susa Young Gates,2010-11-01 He took two years to decide to be baptized Once he did he never looked back He sought

out Joseph Smith the translator of the Book of Mormon the book that changed his life He found the Prophet while he was in

his common work clothes chopping wood From that inauspicious moment on Joseph and Brigham became close confidants

The key to Brigham s life was he never felt he was Joseph Smith s successor Instead he felt he was an apostle of Jesus Christ

andJoseph Smith In 1838 when the Mormons were forced from the state of Missouri whendissenters gave the militia of the

state the pretext for Joseph Smith to be jailed for alleged treason Brigham Young was thrust into the role of leading the Saints to safety on the Illinois shores of the Mississippi river This and other tests fully qualified him to lead the Saints to the West that Joseph predicted Friend and foe alike may have called Brigham Young the American Moses True he led the largest forced migration in humankind s history yet he always knew that Joseph was his Moses
