The Lighthouse Stevensons:

The Lighthouse Stevensons Bella Bathurst, 2010-01-07 Bella Bathurst's epic story of Robert Louis Stevenson's ancestors and the building of the Scottish coastal lighthouses against impossible odds *Lighthouse Stevensons* Bella Bathurst, 2000 [The Lighthouse Stevensons](#) Bella Bathurst, 2011-06-28 The flamboyant and elegantly written saga of the legendary author's family and their lifesaving nautical advances across eighteenth century Scotland Publishers Weekly For centuries the seas around Scotland were notorious for shipwrecks. Mariners had nothing to aid their navigation but a single coal fire light on the east coast which was usually extinguished by rain. In 1786 the Northern Lighthouse Trust was established with Robert Stevenson appointed as chief engineer a few years later. In this engrossing book Bella Bathurst reveals that the Stevensons not only supervised the construction of the lighthouses under often desperate conditions but also perfected a design of precisely chiseled interlocking granite blocks that would withstand the enormous waves that batter these stone pillars. The same Stevensons also developed the lamps and lenses of the lights themselves which sent a gleam across the wave and prevented countless ships from being lost at sea. While it is the writing of Robert Louis Stevenson that brought fame to the family name, this mesmerizing account shows how his extraordinary ancestors changed the shape of the Scotland coast against incredible odds and with remarkable technical ingenuity [Creaky Traveler in the North West Highlands of Scotland](#) Warren Rovetch, 2002-10-01 The author has found a good combination of travelogue, guidebook and charm to capture readers' attention. Aimed at more mature outdoor enthusiasts, *The Scots Magazine* On a journey of discovery Warren and Gerda Rovetch, both creaky themselves, explore the hidden places of Great Britain's last wilderness: the rugged and startling coast of Scotland's North West Highlands. They bring fresh perspectives to the environmental, cultural and spiritual dimensions of their experience as their journey moves at an easy pace from village pubs and croft houses to places of untouched natural beauty and solitude. Celtic history and tradition come alive as our hosts meander their way along. Part travelogue, part guidebook, but all charm and wit, this book transports us to another culture where we have much to learn. I have never met a travel book with so much love in it for nature, for the oddities encountered, for good food and for the privilege of living on this planet. The book is deliciously readable and reveals a breadth of curiosity that is enticing. Anthony Smith, author of *Explorers of the Amazon* and the TV series *Wilderness* What happens to the backpacking crowd when their backs grow too weak with age to shoulder the burden when the lure of the open road is still strong but the feet are better suited to loafers than hiking boots? Do nights of camaraderie in student-packed hostels turn to breakfasts in bed at bed and breakfasts? Does hitchhiking give way to most car rentals? Well, traveled 70 something adventurers Warren Rovetch and his wife Gerda answer these questions and many more in a charming yet practical new book *Travel with a Challenge* **The Creaky Traveler in the North West Highlands of Scotland** Warren Rovetch, 2002-10 On a journey of discovery Warren and Gerda Rovetch, both creaky themselves, explore the hidden places of Great Britain's last wilderness: the rugged and

startling coast of Scotland's North West Highlands They bring fresh perspectives to the environmental cultural and spiritual dimensions of their experience as their journey moves at an easy pace from village pubs and croft houses to places of untouched natural beauty and solitude Celtic history and tradition comes alive as our hosts meander their way along Part travelogue part guidebook but all charm and wit this book transports us to another culture where we have much to learn

Robert Louis Stevenson Richard Ambrosini, Richard Dury, 2006-04-04 Robert Louis Stevenson Writer of Boundaries reinstates Stevenson at the center of critical debate and demonstrates the sophistication of his writings and the present relevance of his kaleidoscopic achievements While most young readers know Robert Louis Stevenson 1850 1894 as the author of Treasure Island few people outside of academia are aware of the breadth of his literary output The contributors to Robert Louis Stevenson Writer of Boundaries look with varied critical approaches at the whole range of his literary production and unite to confer scholarly legitimacy on this enormously influential writer who has been neglected by critics As the editors point out in their Introduction Stevenson reinvented the personal essay and the walking tour essay in texts of ironic stylistic brilliance that broke completely with Victorian moralism His first full length work of fiction Treasure Island provocatively combined a popular genre subverting its imperialist ideology with a self conscious literary approach Stevenson one of Scotland's most prolific writers was very effectively excluded from the canon by his twentieth century successors and rejected by Anglo American Modernist writers and critics for his play with popular genres and for his non serious metaliterary brilliance While Stevenson's critical recognition has been slowly increasing there have been far fewer published single volume studies of his works than those of his contemporaries Henry James and Joseph Conrad

The Moray Way Companion Norman Thomson, 2022-06-02 The Moray Way consists of all or part of three previously existing routes the Moray Coast Trail the Speyside Way and the Dava Way Together they cover a huge and varied range of landscapes This book is the ideal guide to much of what this beautiful and richly historical part of Scotland has to offer The largest town Forres is an ancient royal burgh Between it and the next biggest town of Lossiemouth lie the coastal villages of Findhorn Burghead and Hopeman

connected by some of Scotland's finest coastal scenery and beaches. Eastwards beyond intact remains of second world war defences lie Garmouth and Fochabers the former many centuries ago the main port of Moray. Here the Moray Way turns south following a course through the fertile Spey valley. Its many distilleries are part of the considerable variety of interest as the route continues to the resort town of Grantown. A final stage northward crosses the wild openness of Dava Moor reaching eventually the spectacular Divie viaduct where there is a dramatic change to gentler woodlands and pastoral landscapes as the trail leads back to Forres.
