The Line Sophie Drew:

The Line Sophie Drew Peter Barrett, Susan Barrett, 1970 **The High Flyer** Susan Howatch, 2007-12-18 A gripping two pronged tale of psychological terror and spiritual redemption The New York Post Successful London lawyer Carter Graham has power sex appeal and a well ordered life Everything has gone according to plan including her recent marriage to Kim Betz an investment banker with the right combination of looks and position On the surface it appears to be a match made in heaven The only problem is Kim s ex wife Sophie begins to follow Carter like a shadow making outrageous claims about Kim s involvement in the occult Convincing herself that Sophie is mad Carter moves ahead with her life But something is amiss and as Sophie s stories are corroborated by other unwelcome disclosures from Kim s past Carter is thrown into a terrifying web of suspicion and betrayal pushing her sanity to the edge In desperation Carter seeks help from Nicholas Darrow the charismatic priest of St Benet s Healing Center Though a religious skeptic Carter hopes to stem the tide of darkness that threatens to envelop her life and begins a compelling journey into the very nature of good and evil wisdom and redemption **Making a Difference** Susan Barrett, 2006 Single and no longer young Alice is at a low ebb A long and unsatisfactory relationship with a photojournalist ended in Kosovo just before the break up of Yugoslavia She is haunted by events for which she feels responsible Some years later still suffering the aftermath she leaves London for the West Country to stay with her best friend Martha and her doctor husband Edmund whose response to Alice has always been ambiguous as is hers to him Could this she wonders be love Seeking to find her way through her present confusion she goes to Bill a counsellor friend of theirs She also tries past life regression therapy in which she half believes herself to be Joan Shakespeare s sister Coincidentally she comes across a book published in the 1930s by someone who inspired by Virginia Woolf s ideas in *A Room of One s Own* wrote as though she herself was Joan In contrast to these real and imagined women Alice has all the freedom and opportunities of a modern western woman She decides to join an expedition to take a van load of toys and clothes to an Albanian orphanage On this trip she recognises someone last seen in Kosovo and her imagination goes into overdrive The outcome is however unexpected Deftly moving between the sixteenth century and the twentieth between Dartmoor London and the Balkans and the inner life and the external the various strands of the story come neatly together at its culmination with Alice stirring into life once more with a new understanding and a new love **The Unseen** Ania Ahlborn, 2025-08-19 A terrifying new novel from bestselling HorrorBookTok sensation Ania Ahlborn the acclaimed author of the modern classic *Brother* Hailed as a writer of some of the most promising horror I ve encountered in years Seanan McGuire author of the *Ghost Roads* series Ania Ahlborn delivers a novel that pushes the boundaries of horror into a new realm Isla Hansen a mother reeling from a devastating loss is beside herself when a mysteriously orphaned child appears on the outskirts of the Hansens secluded Colorado property Although strange and unexplainable the child s presence breathes new life into Isla But as the child settles in Isla s husband Luke and their five children notice peculiarities that hint

at something far beyond the ordinary anomalies that challenge the very fabric of reality itself The tension within the Hansen household grows and with it the sense that there is something very wrong with the new kid in the house The Unseen is a haunting tale that walks the line between the familiar and the unknown drawing us into a chilling narrative where reality itself feels just out of reach

Luck Joan Barfoot, 2010-01-29 There is good luck and there is bad luck and then there's the ambiguous sort of luck that's a lot of this and some of the other Philip Lawrence a robust and pleasure-loving furniture maker dies suddenly at the age of forty-six Though that's terribly young by most standards he's lucky to have passed presumably peacefully in his sleep Less fortunate however are the three women he leaves behind to make sense of his loss There's Nora his wife of seventeen years who wakes up next to his dead body A fiery visual artist Nora's feminist re-interpretation of biblical themes stoked fundamentalist outrage from her small town neighbours Now as her emotions run the gamut she must confront solo life in a place she despises Nora shares the house with Sophie a buxom and bossy redhead who works as the couple's housekeeper and personal assistant A recovering virtue addict Sophie turns to menial tasks as a way to suppress painful memories of her two-year stint as an overseas aid worker Philip's death leaves her quietly reeling And then there's the pliable and vacuous Beth a former beauty queen who serves as Nora's live-in muse and model She mourns not Philip so much as the

loss of a haven from her own creepy past The novel follows the three days immediately after Philip's death Privately each woman deals with memories and emotions secrets and uncomfortable revelations while at the same time preparing for the public rituals of mourning including a funeral like no other The narrative moves seamlessly from one perspective to another with delicious dark humour and wry insight into the nature of death love mourning fundamentalism and luck Barfoot's tenth novel Luck was shortlisted for the 2005 Scotiabank Giller Prize The jury citation reads as follows Joan Barfoot is at the peak of her powers with this splendidly realized tragicomedy about a household in the wake of an unexpected death With its note perfect narration mordant wit and wonderfully neurotic cast of characters Luck shows how death can reveal life in all its absurdity and complexity This scintillating comedy of manners is also a profound meditation on fate love and artifice
