A Family of Readers Martha V. Parravano, Roger Sutton, 2012-10-09 Two of the most trusted reviewers in the field join with top authors illustrators and critics in a definitive guide to choosing books for children and nurturing their love of reading A FAMILY OF READERS is the definitive resource for parents interested in enriching the reading lives of their children It's divided into four sections 1 Reading to Them Choosing and sharing board books and picture books with babies and very young children 2 Reading with Them Launching the new reader with easy readers and chapter books 3 Reading on Their Own Exploring what children read and how they read by genre and gender 4 Leaving Them Alone Respecting the reading privacy of the young adult Roger Sutton knows how and why children read He must as the editor in chief of THE HORN BOOK which since 1924 has been America's best source for reviews of books for young readers But for many parents selecting books for their children can make them feel lost Now in this essential resource Roger Sutton and Martha V Parravano executive editor at the magazine offer thoughtful essays that consider how books are read to and then by young people They invite such leading authors and artists as Maurice Sendak Katherine Paterson Margaret Mahy and Jon Scieszka as well as a selection of top critics to add their voices about the genres they know best The result is an indispensable readers companion to everything from wordless board books to the most complex and

daring young adult novels **A Drowned Maiden's Hair** Laura Amy Schlitz, 2010-03-02 People throw the word classic about a lot but *A Drowned Maiden's Hair* genuinely deserves to become one. Wall Street Journal Maud Flynn is known at the orphanage for her impertinence so when the charming Miss Hyacinth and her sister choose Maud to take home with them the girl is as baffled as anyone. It seems the sisters need Maud to help stage elaborate scenes for bereaved wealthy patrons. As Maud is drawn deeper into the deception playing her role as a secret child she is torn between her need to please and her growing conscience until a shocking betrayal makes clear just how heartless her so-called guardians are. Filled with tantalizing details of turn of the century spiritualism and page turning suspense this lively historical novel features a winning heroine whom readers will not soon forget Storytelling Janice M. Del Negro, 2021-06-24 This book serves as both a textbook and reference for faculty and students in LIS courses on storytelling and a professional guide for practicing librarians particularly youth services librarians in public and school libraries. *Storytelling Art and Technique* serves professors, students and practitioners alike as a textbook reference and professional guide. It provides practical instruction and concrete examples of how to use the power of story to build literacy and presentation skills as well as to create community in those same educational spaces. This text illustrates the value of storytelling, covers the history of storytelling in libraries and offers valuable guidance for bringing stories to contemporary listeners with detailed instructions on the selection, preparation and presentation of stories. It also provides guidance around the planning and administration of a storytelling program. Topics include digital storytelling, open mics and slams and the neuroscience of storytelling. An extensive and helpful section of resources for the storyteller is included in an expanded Part V of this edition **The Common Core in Grades 4-6** Roger Sutton, Daryl Grabarek, 2014-04-18 The Classroom Go To Guide for the Common Core is the first in a series of comprehensive tools to tap into the vast flow of recently published books for children and teens offering recommendations of exemplary titles for use in the classroom. Currency meets authority brought to you by the editors of the highly regarded review sources *School Library Journal* and *The Horn Book Magazine*. This guide includes approximately 200 selections published since 2007 for grades 4-6 recommended by *The Horn Book Magazine*. The titles are grouped by subject and complemented by *School Library Journal*'s Focus On columns which spotlight specific topics across the curriculum. Providing context for the guide and suggestions on how to use these resources within a standards framework is an introduction by Common Core experts Mary Ann Cappiello and Myra Zarnowski. These experts provide perspective on the key changes brought by the new standards including suggestions on designing lessons and two sample plans. Following the introduction you'll find a wealth of books by category. Each section includes a listing of the top titles with brief explicit annotations and key bibliographic data. Focus On articles are appended to appropriate categories to support in-depth curricular development. Each of these articles includes a topic overview and list of current and retrospective resources including some fiction and multimedia that will enable educators to respond to Common Core State Standards' call to work
