

ERIC HATCH
Hatch called the American Revolution, Eric Hatch now takes
off in his own plane. Doubtless we can but he would have dreamed
up what happened to Johnny Kennedy after his disappearance.
Johnny would be his theme. And especially we now also would
have known there is no immortality and believably so the best is
not to live at all.

Asked to bring his publishers up to date on his
book's second number this new number.

Remember it's not over.
