The Frontman Harry Browne, 2013-06-04 Celebrity philanthropy comes in many guises but no single figure better encapsulates its delusions pretensions and wrongheadedness than U2 s iconic frontman Bono a fact neither sunglasses nor leather pants can hide More than a mere philanthropist indeed he lags behind many of his peers when it comes to parting with his own money Bono is better described as an advocate one who has become an unwitting symbol of a complacent wealthy Western elite The Frontman reveals how Bono moved his investments to Amsterdam to evade Irish taxes his paternalistic and often bullying advocacy of neoliberal solutions in Africa his multinational business interests and his hobnobbing with Paul Wolfowitz and shock doctrine economist Jeffrey Sachs Carefully dissecting the rhetoric and actions of Bono the political operator The Frontman shows him to be an ambassador for imperial exploitation a man who has turned his attention to a world of savage injustice inequality and exploitation and helped make it worse

Foster, 2008-03-14 Roy Foster is one of Ireland s leading historians the author of the much acclaimed two volume biography of Yeats as well as the definitive history *Modern Ireland* which has been hailed as dazzling New York Times Book Review and elegant erudite wise witty Irish Times Now this brilliant writer offers a short and combative account of Ireland s astonishing transformation over the last three decades Has there really been an economic miracle Where does the explosion of cultural energy in music literature and theater come from Has the power of the Catholic Church really crumbled Focusing largely on contemporary events living people current controversies and popular culture *Luck and the Irish* explores these questions and raises other provocative questions of its own Foster looks at the astonishing volte face undertaken by Sinn Fein eventually taking office in a state they had once fought to destroy He describes how Catholicism once the bedrock of Irish identity has been decisively compromised as evidenced by the exploitation and abuse scandals and the drastic decline in devotions At the same time the position of women in Irish society has been transformed with the growth of feminism a revolution in sexual attitudes far more women in the work force the ascendancy of President Mary Robinson and the movement of women to front rank Cabinet posts all of which have put the position of Irish women ahead of that in many European nations Many old molds have been broken in Irish society over the last 30 years and the immediate results have been breath taking But are these developments really as permanent or even as beneficial as they appear Everyone curious about the recent past the

burgeoning present and the unclear future of Ireland will want to read this superbly written and deeply thoughtful book

Here Comes Everybody James Fearnley, 2014-05-01 Everything a really great music memoir should be Colin Meloy The Pogues injected the fury of punk into Irish folk music and gave the world the troubled iconic darkly romantic songwriter Shane MacGowan Here Comes Everybody is a memoir written by founding member and accordion player James Fearnley drawn from his personal experiences and the series of journals and correspondence he kept throughout the band's career Fearnley describes the coalescence of a disparate collection of vagabonds living in the squats of London's Kings Cross with at its center the charismatic MacGowan and his idea of turning Irish traditional music on its head With beauty lyricism and great candor Fearnley tells the story of how the band watched helplessly as their singer descended into a dark and isolated world of drugs and drink and sets forth the increasingly desperate measures they were forced to take James Fearnley was born in 1954 in Worsley Manchester He played guitar in various bands including The Nips with Shane MacGowan before becoming the accordion player in The Pogues Fearnley continues to tour with the band and lives in Los Angeles

The Irish Attack on Christianity - The Case for the Defence Eugene Jordan, 2021-03-17 During the biggest scandal ever in Irish history feminists attacked women the Irish attacked the Irish the politicians attacked the electorate and all sides

attacked Christianity They accused Christian women of killing hundreds of babies and of perpetrating a holocaust The allegations are not true but many people believe them despite the overwhelming evidence to the contrary Why should the Irish nation have behaved in such a way What purpose was served in falsely scapegoating religious women Why did they attack their mothers grandmothers and all their relations accusing them of the full gamut of reprehensible behaviour from ignorance to holding a perverse religious morality The reality is that these women were like stars in the sky they deserve to shine The real story needs to be told The Commission of Investigation into Mother and Baby Homes has dismissed many of the scandal propagators notorious claims but has made several significant errors of their own However the Irish media continues cherry pick from its findings to perpetuate many of their previously created myths For the first time this book exposes the 21st century Irish mindset revealing the whole sordid tale of how the Irish nation came to hate the Irish Moreover it provides the scientific rational and historical evidence needed to defend against its malignancy *The Modern Movement* John Gross,1992 Twelve authors from W B Yeats to Franz Kafka and how the TLS reacted to their work on its first appearance and something of how it has come to be viewed in retrospect **Far from the Land** J. Rice Thomas J. Rice,Thomas J. Rice,2009-12 The setting is rural Ireland in the 1950s Thomas Rice has written a riveting memoir about a way of life that no longer exists no running water no toilets no electricity and little access to education jobs or basic health care Early on we are drawn into a culture with a recent memory of famines a culture still showing the scars from the homestead ruins that pockmark the landscape to the ghost towns and villages that never recovered from The Great Hunger of the 1840s
