The Best Laid Plans:

Best Laid Plans Constance O'Day Flannery, 2007-04-01 The Yellow Brick Road Gang otherwise known as Metaphysical Misadventures in the Search for Enlightenment was once just a book club Now they are a circle of friends as close as family Together they embarked on a spiritual search and throughout the last eight years each woman has come to realize that the only constant is change and that anything is possible Cristine and her partner have always approached their relationship like a business and Cristine prides herself on her cool headed and logical thinking But when Cristine s partner decides he doesn t want to renew their relationship contract Cristine is devastated Trying to help her the Yellow Brick Road Gang devises a ritual to bring Cristine a new lover Mix cayenne pepper for hot passion and dried mustard for strength add a tiny bit of mint for sweetness then cast into a fire Enter Daniel Burns He is no ordinary man In fact he isn t a man at all At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied

The Best Laid Plans Cameron Lund, 2021-02-02 High school senior Keely Collins takes on firsts lasts and everything in between in this sweet sex positive rom com for fans of Meg Cabot and Jenny Han It seemed like a good plan at first When the only other virgin in her group of friends loses it at Keely s own eighteenth birthday party she s inspired to take things into her own hands She wants to have that experience too well not exactly like that but with someone she trusts and actually likes so she s going to need to find the guy and fast Problem is she s known all the boys in her small high school forever and it s kinda hard to be into a guy when you watched him eat crayons in kindergarten So she can t believe her luck when she meets a ridiculously hot new guy named Dean Not only does he look like he s fallen out of a classic movie poster but he drives a motorcycle flirts with ease and might actually be into her But Dean s already in college and Keely is convinced he ll drop her if he finds out how inexperienced she is That s when she talks herself into a new plan her lifelong best friend Andrew would never hurt or betray her and he s clearly been with enough girls that he can show her the ropes before she goes all the way with Dean Of course the plan only works if Andrew and Keely stay friends just friends so things are about to get complicated Cameron Lund s delightful debut is a hilarious and heartfelt story of first loves first friends and
