Pringle, Master Decoy Maker** William C. Reeve,2002-09-12 An avid outdoorsman Pringle began carving decoys in 1898 and in 1928 set himself the goal of producing the best rig of decoys in the world Between 1929 and 1946 employing his skills as a commercial artist and going to great lengths to ensure the utmost accuracy he fashioned approximately 120 of what many now consider to be among the finest examples of decoy art But because he carved exclusively for his own use and made only a few for close friends Pringle s birds remained largely unknown until recently **Canadian Books in Print** ,1986 **Professional Heckler** Terry Mosher,2022-03-30 Duncan Macpherson 1924 1993 was one of the greatest of Canadian cartoonists He began his career as an illustrator for the Montreal Standard and Weekend Magazine then joined the ranks of Maclean s and finally the Toronto Star He won six National Newspaper Awards and a Molson Prize among other honours A formidable and groundbreaking artist he was also an alcoholic who struggled with many personal demons Professional Heckler is the first biography of Macpherson Written by Terry Mosher well known under the pen name Aislin for his decades of cartoons in the Montreal Gazette the book is lavishly illustrated with hundreds of examples of Macpherson s drawings paintings and cartoons as well as archival photographs Both an admirer of Macpherson s work and a longtime student of the art craft and business of cartooning Mosher brings a professional expertise and encyclopedic knowledge of the history of cartooning that allow him to comment on facets of Macpherson s work from a practical standpoint With humour and affection he provides remarkable insights into the artist s character style influences personal foibles and way of working A delight to read Professional Heckler is a pioneering work on an influential and controversial cartoonist that makes an essential contribution to the history of visual arts in Canada *Canadian Selection* Alvan Bregman,Ontario. The Canadian Experience of the Great War Brian Douglas Tennyson,2013-05-01 Although the United States did not enter the First World War until April 1917 Canada enlisted the moment Great Britain engaged in the conflict in August 1914 The Canadian contribution was great as more than 600 000 men and women served in the war effort 400 000 of them overseas out of a population of 8 million More than 150 000 were wounded and nearly 67 000 gave their lives The war was a pivotal turning point in the history of the modern world and its mindless slaughter shattered a generation and destroyed seemingly secure values The literature that the First World War generated and continues to generate so many years later is enormous and addresses a multitude of cultural and social matters in the history of Canada and the war itself Although many scholars have brilliantly analyzed the literature of the war little has been done to catalog the writings of ordinary participants men and women who served in the war and wrote about it but are not included among well known poets novelists and memoirists

Indeed we don't even know how many titles these people published nor do we know how many more titles were added later by relatives who considered the recollections or collected letters worthy of publication Brian Douglas Tennyson's *The Canadian Experience of the Great War A Guide to Memoirs* is the first attempt to identify all of the published accounts of First World War experiences by Canadian veterans *In the Studio* Todd Hignite, 2007-09-21 Nine critically acclaimed cartoonists and graphic novelists invite us into their studios to discuss their art and inspirations These studio visits with some of today's most popular and innovative comic artists present an unparalleled look at the cutting edge of the comic medium The artists some of whom rarely grant interviews offer insights into the creative process their influences and personal sources of inspiration and the history of comics The interviews amount to private gallery tours with the artists commenting now thoughtfully now passionately on their own work as well as the works of others The book is generously illustrated with full color reproductions of the artists works including some that have been published and others not originally intended for publication such as sketchbooks and personal projects Additional illustrations show behind the scenes working processes of the cartoonists and particular works by others that have influenced or inspired them Through the eyes of these artists we see with a new clarity the achievement of contemporary cartoonists and the extraordinary possibilities of comic art
