The Biblical Doctrine Of The Church:

The Biblical Doctrine of the Church William Robinson, 1997-01-08 Eight lectures printed as delivered to the School of Religion Butler University Indianapolis in 1947 Much of the material was originally prepared for the Commission of the Edinburgh Conference 1937 Faith and Order Movement which dealt with The Church and the Word of God After Lausanne 1927 Robinson became convinced that questions of the sacraments or ministry could not be resolved without the issue of the nature of the church being tackled This is his attempt written from the perspective of a 19th century unity movement centered around the leadership of Americans Barton Stone and Alexander Campbell **Sound Doctrine** Bobby

Jamieson, 2013-04-30 How do you feel about doctrine Whatever answer comes to mind this book will not only convince you that sound doctrine is vital for living a godly life it will also explain the essential role of theology in the life of a healthy church Thinking rightly about God affects everything from guiding us in practical issues to growing a church's unity and witness This short readable book shows how good theology leads to transformation life and joy Part of the 9Marks Building Healthy Churches series **Biblical Doctrine** John MacArthur, Richard Mayhue, 2017-01-13 Long Awaited Systematic Theology by Well Known Pastor Author and President of the Master's Seminary Doctrine isn't just for theologians it's important for every Christian because it shows us who God is and how we should live Systematizing the robust theology that has undergirded John MacArthur's well known preaching ministry for decades this overview of basic Christian doctrine covers topics such as God the Father Jesus Christ the Holy Spirit the Bible salvation and more Comprehensive in scope yet written to be accessible to the average reader with non technical vocabulary minimal footnotes and a helpful bibliography this volume offers Christians a solid foundation for what they believe and why **Bible Doctrine** Wayne A. Grudem, 1999 This is an abridgment of Grudem's highly commended Systematic Theology intended for laypeople and nonprofessionals

Church Doctrine and the Bible David Instone-Brewer, 2020-05-13 You know the doctrines but are they biblical Too often Christians are content to state a doctrine list a few supporting Bible passages and proceed on to the next But are these doctrines truly derived from the Bible or are we slotting verses into our pre determined theological grids In Church Doctrine and the Bible biblical scholar David Instone Brewer applies his expertise in first century backgrounds and culture to popular Christian doctrines Peeling away thousands of years of theological development reveals how the Bible's original hearers would have understood these doctrines and helps us resolve some of our doctrinal disputes and misunderstandings Through this process Instone Brewer answers the question is this doctrine biblical Church Doctrine and the Bible will help pastors theologians and laypersons see familiar doctrines with fresh first century eyes By restoring the revolutionary simplicity of the Bible's teachings we gain new insights into these doctrines and what they mean for the church today **The Encyclopedia of the Stone-Campbell Movement** Douglas A. Foster, 2004 Over ten years in the making The Encyclopedia of the Stone Campbell Movement offers for the first time a sweeping historical and theological treatment of this complex vibrant global

communion Written by more than 300 contributors this major reference work contains over 700 original articles covering all of the significant individuals events places and theological tenets that have shaped the Movement Much more than simply a historical dictionary this volume also constitutes an interpretive work reflecting historical consensus among Stone Campbell scholars even as it attempts to present a fair representative picture of the rich heritage that is the Stone Campbell Movement
