Laymans Commentary Volume 7 Epistles of Paul presents a passage by passage explanation of the thirteen letters of Paul to the early churches In this seventh volume author John Devine considers the writings of the academic theologian specialist in the Old Testament Scriptures and apostle to the rest of the world as they relate to effective everyday living Pauls deep understanding of the work and teaching of Jesus are addressed explaining Gods plan for a relationship with the individual and the means by which this was made possible by the death and resurrection of his Son The expectation of eternal life and other important doctrines of the Christian worldview which have impacted people of all subsequent generations are highlighted and confirm that science and faith are complementary in giving purpose and meaning to life A Layman'S Commentary Volume 8 John Devine,2014-07-28 In todays world it can be difficult to maintain your faith Those seeking a greater understanding of the Bible have numerous excellent theological commentaries available to them but due to volume and depth many of these are out of reach of laypeople Others lose contact with the Bible because it no longer seems relevant to life They use a superficial knowledge of science and evolution to exclude God and faith from their experiences The Laymans Commentary Volume 8 General Epistles presents a passage by passage explanation of the nine letters of the Bible to the early churches from general authors who were eyewitnesses or associates and spoke of their experience of Jesus In this eighth volume author John Devine explains the practical relevance of these documents as they relate to effective everyday living He considers the relevance of creation and science as well as Gods moral standard which is of vital importance in modern society These letters are shown to conform with the Gospels and the letters of Paul Hebrews explains the connection of the Old Testament with the First Coming of Jesus Revelation describes the fulfillment with the Second Coming of Jesus Gods plan for a relationship with the individual is explained with the means by which this was made possible by the death and resurrection of his Son The notes confirm that science and faith are complementary in giving purpose and meaning to life The expectation of eternal life is also assured **The Ultimate Evidence** Larry Vern Newman,2009-01-01 It is quite an assertion to claim that one is filled with the Spirit of God What does a person offer as proof that this is actually true Pentecostals at the turn of the twentieth century read the Bible debated the issue and then proposed an evidence they thought the scriptures indicated was the primary verification of Spirit baptism It was determined that the evidence to prove one had been baptized with the Holy Spirit was that the person had spoken in an unknown language as prompted by the Holy Spirit The primary evidence of Spirit baptism it was concluded was the expression of a charism It was charismatic In The Ultimate Evidence Larry Newman argues that the initial evidence doctrine as it stands is inadequate and needs to be revisited and adjusted Without discrediting or devaluing speaking in tongues Newman points the reader to the ultimate evidence of Spirit baptism the more excellent way Gathering from historical cultural and biblical sources Dr Newman argues that the biblical evidential paradigm is ethical and issues forth from the agape of the Cross It is the ethical dimension of the Christian life that is primary In 1 Cor 13 1 Paul wrote If I speak in the tongues of men and of angels but have not love I am

only a resounding gong or a clanging cymbal **Renewal Theology** J.
