LEGENDS
OF SMOKEOVER

By
L. P. JACKS

J Smokeover is a city renowned for its size, momentum and obscurity. It contains a million living souls and its cemeteries are filled with many more who still influence its life. It is controlled by convention, boasts of its idealism but worships industry. Principal Jacks has found some amazing stories in the vices of its righteous, the virtues of its godless and the aspirations of the folk who fill its homes.
