The Lesbian in Literature Barbara Grier, Jan Watson, Robin Jordan, 1975 *The Lesbian in Literature* Barbara Grier, 1981

The lesbian in literatur Gene Damon, Robin Jordan, Jan Watson, 1975 **The Cambridge Companion to Lesbian**

Literature Jodie Medd, 2015 The Cambridge Companion to Lesbian Literature examines literary representations of lesbian sexuality identities and communities from the medieval period to the present In so doing it delivers insight into the variety of traditions that have shaped the present landscape of lesbian literature *The Cambridge History of Queer American Literature* Benjamin Kahan, 2024-06-06 Moby Dick s Ishmael and Queequeg share a bed Janie in Zora Neale Hurston s Their Eyes Were Watching God imagines her tongue in another woman s mouth And yet for too long there has not been a volume that provides an account of the breadth and depth of queer American literature This landmark volume provides the first expansive history of this literature from its inception to the present day offering a narrative of how American literary studies and sexuality studies became deeply entwined and what they can teach each other It examines how American literature produces and is in turn woven out of sexualities gender pluralities trans ness erotic subjectivities and alternative ways of inhabiting bodily morphology In so doing the volume aims to do nothing less than revise the ways in which we understand the whole of American literature It will be an indispensable resource for scholars graduate students and undergraduates

Encyclopedia of Lesbian and Gay Histories and Cultures George Haggerty, Bonnie Zimmerman, 2003-09-02 Beginning in 1869 when the study of homosexuality can be said to have begun with the establishment of sexology this Encyclopedia offers accounts of the most important international developments in an area that now occupies a critical place in many fields of academic endeavours While gays and lesbians have shared many aspects of life their histories and cultures developed in profoundly different ways To reflect this crucial fact the Encyclopedia has been prepared in two separate volumes assuring that both histories receive full unbiased attention and that a broad range of human experience is covered Written by some of the most famous names in the field as well as new researchers this is intended as a reference for students and scholars in all areas of study as well as the general public Historical Dictionary of the Lesbian and Gay Liberation Movements JoAnne Myers, 2013-09-19 Not so long ago hardly anything was said of the Lesbian Liberation Movement and the Gay Liberation Movement indeed the terms gay and lesbian were not even used if some other expression could be found Today by contrast hardly a day passes when something important does not occur and is carried by the major media and disseminated on more personal levels through blogs and the social media If anything there is perhaps too much news and not enough information Obviously a book like this cannot keep up with the news but it can do something equally important when it comes to information by reminding us of the past and what has been going and just how fast events are moving The Historical Dictionary of the Lesbian and Gay Liberation Movements covers the history of this movement through a cross referenced dictionary with over 1000 entries on specific countries and regions influential historical figures laws that criminalized same

sex sexuality various historical terms that have been used to refer to aspects of same sex love and contemporary events and legal decisions Including a comprehensive chronology and bibliography this book is an excellent access point for students researchers and anyone interested in learning more about the struggle for equality **The A to Z of the Lesbian**

Liberation Movement JoAnne Myers,2009-08-20 The Lesbian Liberation Movement is both a movement that encompasses liberating a sexual practice from stigmatization and a political movement challenging the dual oppression of women by the patriarchy s assumption of male supremacy and heterosexuality Over the years much has been written on homosexuality and the Gay Liberation Movement yet much of the focus has been on male homosexuals especially male homosexual activity and the politics that activity raises The A to Z of the Lesbian Liberation Movement Still the Rage is a comprehensive overview and resource guide for one of the most invisible social political movements the Lesbian Liberation Movement This book helps to make the still active movement visible the history successes setbacks controversies and issues This book is a good resource for those studying this social political movement containing a chronology contextual overview dictionary entries that cover persons laws terminology issues and countries and an extensive bibliography of primary resources and current work

Encyclopedia of Lesbian and Gay Histories and Cultures Bonnie Zimmerman,George Haggerty,2021-06-13 A rich heritage that needs to be documented Beginning in 1869 when the study of homosexuality can be said to have begun with the establishment of sexology this encyclopedia offers accounts of the most important international developments in an area that now occupies a critical place in many fields of academic endeavors It covers a long history and a dynamic and ever changing present while opening up the academic profession to new scholarship and new ways of thinking A groundbreaking new approach While gays and lesbians have shared many aspects of life their histories and cultures developed in profoundly different ways To reflect this crucial fact the encyclopedia has been prepared in two separate volumes assuring that both histories receive full unbiased attention and that a broad range of human experience is covered Written for and by a widerange of people Intended as a reference for students and scholars in all fields as well as for the general public the encyclopedia is written in user friendly language At the same time it maintains a high level of scholarship that incorporates both passion and objectivity It is written by some of the most famous names in the field as well as new scholars whose research continues to advance gender studies into the future **Encyclopedia of Homosexuality** Wayne R.

Dynes,2016-03-22 First published in 1990 The Encyclopedia of Homosexuality brings together a collection of outstanding articles that were at the time of this book s original publication classic pioneering and recent Together the two volumes provide scholarship on male and female homosexuality and bisexuality and reaching beyond questions of physical sexuality they examine the effects of homophilia and homophobia on literature art religion science law philosophy society and history Many of the writings were considered to be controversial and often contradictory at that time and refer to issues and difficulties that still exist today This volume contains entries from A L Out on the Shelves ,1989 *Encyclopedia of*

Lesbian Histories and Cultures Bonnie Zimmerman, 2013-08-21 Volume one of this two volume set focuses on lesbian history and culture beginning in 1869 when the study of homosexuality was said to have begun with the establishment of sexology It is intended as a reference for students and scholars in many fields as well as the general public *Bodies of Information* Elizabeth Losh, Jacqueline Wernimont, 2019-01-08 A wide ranging interconnected anthology presents a diversity of feminist contributions to digital humanities In recent years the digital humanities has been shaken by important debates about inclusivity and scope but what change will these conversations ultimately bring about Can the digital humanities complicate the basic assumptions of tech culture or will this body of scholarship and practices simply reinforce preexisting biases Bodies of Information addresses this crucial question by assembling a varied group of leading voices showcasing feminist contributions to a panoply of topics including ubiquitous computing game studies new materialisms and cultural phenomena like hashtag activism hacktivism and campaigns against online misogyny Taking intersectional feminism as the starting point for doing digital humanities Bodies of Information is diverse in discipline identity location and method Helpfully organized around keywords of materiality values embodiment affect labor and situatedness this comprehensive volume is ideal for classrooms And with its multiplicity of viewpoints and arguments it is also an important addition to the evolving conversations around one of the fastest growing fields in the academy Contributors Babalola Titilola Aiyegbusi U of Lethbridge Moya Bailey Northeastern U Bridget Blodgett U of Baltimore Barbara Bordalejo KU Leuven Jason Boyd Ryerson U Christina Boyles Trinity College Susan Brown U of Guelph Lisa Brundage CUNY Michaela C.
