The Lesson Beginning Literacy:

Elementary Literacy Lessons Janet C. Richards, Joan P. Gipe, 2012-11-12 Innovative and practical this text helps prepare teachers to support the literacy learning needs of all children in grades K 6 including academically linguistically and culturally diverse students It features original teaching cases written by preservice teachers enrolled in field based reading language arts methods courses accompanied by commentaries written by experienced teacher educators and skilled classroom teachers High interest content and a reader friendly format encourage critical and reflective thinking about topics important to effective literacy instruction By promoting reflection about case issues the text helps prepare future teachers to respond to teaching narratives presented on the practical applications section of the PRAXIS II an examination required in most states for teacher licensure The authentic cases candidly and poignantly describe preservice teachers plans problems hopes disappointments dilemmas and reflective thinking as they address the multilayered complexities and ambiguities associated with learning to teach reading and language arts in elementary classrooms These teaching stories reveal glimpses of literacy instruction and allow us to enter real classrooms and experience the wide varieties of situations that reading language arts teachers encounter daily Although the cases are grouped according to specific dimensions of literacy theory and pedagogy just as in real classrooms other issues are woven through each case as well The commentaries provide scholarly and sometimes contrasting perspectives and approaches through which readers might consider the issues presented in the cases The commentaries represent only particular perspectives but readers are encouraged to explore and consider as many perspectives and issues as possible regarding each case Each chapter includes helpful pedagogical features New or critical concepts and terms listed at the beginning of each chapter alert readers to what might be unfamiliar vocabulary Applications and Reflections pages help readers take an active part in analyzing documenting and talking about the particular issues portrayed in the case narratives Using the questions on these pages the cases and accompanying commentaries can be read and discussed as a whole class activity in small collaborative groups or by individuals The questions can also be used by readers to guide their own case writing initiatives Margin References direct readers to correlated readings for the strategies and parallel concepts mentioned in the cases and commentaries Suggested readings can be discussed within the format of literacy study groups Annotated Bibliographies at the end of each chapter help readers construct more in depth knowledge for the instructional strategies and activities discussed in the teaching cases The cases commentaries and pedagogical features in this distinctive text provide rich opportunities for readers to discover what they need to know and how they need to think in order to teach reading and language arts effectively and successfully

SYSTEMATIC INSTRUCTION IN READING FOR SPANISH-SPEAKING STUDENTS Elva Duran, 2013-04-01 Students whose first language is not English are the fastest growing group in public schools in all regions of the United States Almost 10 million children between the ages of five and 17 live in the homes and communities in which a language other than

English is spoken and presently most schools in the U S are under educating many English learners The achievement of Hispanic students needs to improve dramatically over the next five years and this book describes the cornerstone elements for bringing about this change The initial chapter introduces direct instruction to be used with reading and literacy programs Chapters 2 and 3 provide excellent review of the literature in language development and address developing language instruction listening and speaking with Spanish speaking students and offers what a comprehensive language development program should look like Chapter 4 reviews academic language and literacy instruction while the next addresses the components of instruction in Spanish Chapter 6 offers lesson plan suggestions for Spanish speaking students while the following two sections discuss components that transfer and do not transfer in Spanish to English reading instruction Chapter 9 reviews English language development and provides lesson plans for implementing SDAIE programs Finally Chapter 10 discusses two way bilingual immersion and shares actual classroom schedules and lessons This unique text will help in the preparation of primary grade teachers throughout the U S so that they may be successful with Hispanic students entering the public schools with little or no English background It will also be a useful tool for school districts staff development in addressing school improvement goals for increasing the achievement of Hispanic students
