The Life Of Christ His Divine Birth Scripture Miniatures:

Jesus Christ: his life and his work Frederic Amadeus Malleson, 1880 **The Miniature Commentary**, 1840 **The National Sunday School Teacher** Edward Eggleston, Marshall Curtiss Hazard, 1871 **Essential Figures in the Bible** Ronald L. Eisenberg, 2013

For millions of people throughout the world the Hebrew Bible functions as the foundation of their faith For millions more the same book functions as the subject of their studies For both groups the characters discussed in the Bible lend key insight to the lessons found there However sifting through the hundreds of names mentioned in this key religious text to find information about one figure can be tedious and time consuming and most reference guides either provide only brief unhelpful entries on every character including minor figures or are so extensive that they can be more intimidating than the original text **Essential Figures in the Bible** compiles thorough but manageable entries on the figures most vital to an understanding of the Bible and its teachings In this valuable reference Dr Ronald L Eisenberg catalogs and explains the importance of more than 250 figures who are most vital to an understanding of the Hebrew Bible and its teachings For these figures selected from the more than 3 000 names found in the Hebrew Bible Eisenberg provides summaries of the narratives relevant to each figure discussed along with illustrative quotations from the Bible and supplementary material from rabbinic literature when appropriate Both religious studies and rabbinical students and casual readers of the Hebrew Bible will benefit from the comprehensive entries on the most frequently discussed biblical figures and will gain valuable insights from this reader friendly text Complete in a single volume this guide strikes a satisfying balance between the sparse uninformative books and comprehensive but overly complex references that are currently the only places for inquisitive Bible readers to turn For any reader who wishes to gain a better understanding of the Bible Eisenberg s text is just as essential as the figures listed within

Biblical Figures in the Islamic Faith Stephen J. Vicchio, 2008-07-01 Vicchio believes that by understanding how much Muslim tradition overlaps with the biblical traditions of Judaism and Christianity we might begin to expose a wedge of common ground on which understanding and respect might begin to be built Vicchio begins with a brief introduction sketching some fundamentals of Muslim history and culture and clearing away some common misconceptions His main goal however is to give us a detailed look at the treatment of biblical figures in the literature of Islam The broad range of his research and presentation is startling He begins with the Qur an but continues on to the collected writing of the roughly two hundred years after Mohammed Hadith Sunnah Akhbar that came to be regarded as authoritative in the various traditions that developed in early Islam He then traces the interest in these biblical figures on into modern treatments of the role of these figures in Muslim scholarship and how these figures are understood and used in the traditions of Islam yet today The result of Vicchio s scholarship and presentation will be a revelation to most Christian and Jewish readers It has become somewhat commonplace to refer to Judaism Christianity and Islam as the three Abrahamic faiths This shows a beginning awareness of the beginnings of each of these three great

religions birthed in the Middle East in a common ancestor Abraham Ibrahim Abraham's faithfulness and his closeness to God make him a revered figure in each of these three great faiths and for each Abraham is a beginning of the story of the particular relationship between God and the people of each of these religions from the Foreword

Hebrew Bible / Old Testament. I: From the Beginnings to the Middle Ages (Until 1300). Part 1: Antiquity Magne Sæbø, Chris Brekelmans, Menahem Haran, 1996-07-12 Dieses große internationale Standardwerk vereinigt christliche und jüdische Fachleute aus aller Welt. Es stellt die alttestamentliche Exegese von den Anfängen innerbiblischer Schriftdeutung bis zur gegenwärtigen Forschung umfassend dar. Der erste Teilband führt von den Kanonfragen über frühjüdische, neutestamentliche, rabbinische und patristische Deutungen bis zu Augustin. Er endet mit einer Zusammenfassung über Kirche und Synagoge als jeweiligen Mutterboden für die Entwicklung verbindlicher Schriftauslegung. Das Werk ist auf fünf Teilbände angelegt, die im Abstand von ein bis zwei Jahren erscheinen. *An Ecclesiastical History, Ancient and Modern* Johann Lorenz Mosheim, 1834

The Westminster Review, 1871 [Bible Myths, and Their Parallels in Other Religions](#) Thomas William Doane, 1884

Life-Study of Genesis Witness Lee, 1987-12-01 In the Lord's recovery during the past five hundred years the church's knowledge of the Lord and His truth has been continually progressing. This monumental and classical work by Brother Witness Lee builds upon and is a further development of all that the Lord has revealed to His church in the past centuries. It is filled with the revelation concerning the processed Triune God, the living Christ, the life-giving Spirit, the experience of life, and the definition and practice of the church. In this set, Brother Lee has kept three basic principles that should rule and govern every believer in their interpretation, development, and expounding of the truths contained in the Scriptures. The first principle is that of the Triune God dispensing Himself into His chosen and redeemed people; the second principle is that we should interpret, develop, and expound the truths contained in the Bible with Christ for the church; and the third governing principle is Christ, the Spirit, life, and the church. No other study or exposition of the New Testament conveys the life, nourishment, or ushers the reader into the divine revelation of God's holy Word according to His New Testament economy as this one does.
