Buddhaghosa,1921 Sons of the Buddha Jason A. Carbine,2011-05-04 Intended as a methodological and theoretical contribution to the study of religion and society this book examines Buddhist monasticism in Myanmar The book focuses on the Shwegyin one of the most important but least understood monastic groups in the country Analyzing the group as a tradition constructed around ideas of continuity and disruption rupture the study illuminates key aspects of monastic and wider Burmese Buddhist thought and practice and ultimately argues for the distinctiveness of elements of that thought and practice in comparison to the Buddhist cultures of Sri Lanka and Laos After situating the Shwegyin within the history of Buddhist monasticism more generally and within the vicissitudes of modern Burmese political history the book proceeds along two scholarly avenues It adopts an interdisciplinary method with attention to biographical administrative doctrinal and ethnographic evidence Theoretically the book engages scholarly discussion about traditions and their traditionalisms and advances a specific type of interpretive approach built on bringing the viewpoints and practices of the Shwegyin into conversation with the enterprise of understanding larger historical and cultural patterns in the Buddhist societies of South and Southeast Asia Buddha and His Teachings, The Ven. Narada Thera,2017-06-10 This is one of the clearest and most detailed introductions to the fundamental teachings of Buddhism available in English In simple and lucid language the author explains the doctrines and concepts which form the common bedrock of Buddhism as they have been preserved by the Theravada school The first part of the work is devoted to the life of the Buddha The remainder of the book explains in detail the Buddha s teachings the final chapter showing the relevance of Buddhism to the problems of modern life **The Buddha** Donald S. Lopez,2025-09-02 From one of the world s leading Buddhist scholars a deeply researched and unprecedented portrait of the Buddha Like Jesus and Muhammad the Buddha is one of the most significant figures in history But is he a historical figure In this revelatory book Donald S Lopez Jr explores this question and considers what is at stake in the answer Using stories of the Buddha s life drawn from the earliest biographies the work of other scholars and his own research Lopez traces a single narrative from the Buddha s birth to his enlightenment to his passage into nirvana Unlike those who transformed the Buddha into a rationalist philosopher Lopez seeks to remythologize the Buddha restoring the rainbow that encircled the Buddha for centuries radiating his teachings around the world Complementing traditional Buddhist sources with insights from Gustave Flaubert Oscar Wilde George Eliot and others Lopez produces a rich accessible and unprecedented portrait of one of the world s most important religious figures **Catalog of Copyright Entries.
