Raising the Love-Light of a Child Darlene Westhelle, 2021-08-03 You are a loving person and you love kids. But what is love exactly by your definition? Have you ever really thought about it? Is love simply some warm fuzzy that you've been taught to express with three little words? Or is it much more than that? And how would you describe it? Have you explored any of the beliefs, the rote script, comments, the auto responses, the unquestioned systems, all the that's just the way it is, programs, the generational patterns, the inconsistent behaviors that send mixed messages, and the copy and paste words and attitudes that you inadvertently share with kids? And have you intentionally worked to raise the frequency of your own lovelight, revealing and healing any parts of you that may affect the energy and thus the growth, brilliance, and resilience of children in your care? Come, let's explore and train our hearts to see through the lens of love to make the necessary adjustments to our programming. Let's shine the light on and disrupt the old ways of thinking and behaving that have created the undesirable, inequitable energies of the collective consciousness and the current systems. With that light, we can heal, change, grow, and create a brighter new environment for the kids, with the kids preserving and maintaining the strength of our inherent lovelights. *The Power Source of Love* David Daniel Bergin, 2017-06-20 Good words, feelings, taking you to a better place. The creation of love in your mind. Nice thoughts instantly raising your vibrational frequency. Maintain this feeling, acting out in love all the time. Work with this healing energy. THE POWER SOURCE OF LOVE will heal you and all those around you. You'll be glowing with love in your life. Just try to incorporate love's healing energies on a daily basis. If you get a little overweight, you'd go to the gym or engage in some exercise program. Why not make time in your life to exercise thoughts, actions towards love, some loving kindness, non judgmental forgiveness, and gratitude. Surely all the people in your life would welcome this lovely behaviour with open arms.
