Sir Denis Forman

The Limelight Of Opera:

The Limelight Book of Opera Arthur Jacobs, Stanley Sadie, 1985 Biographical sketches of the composers and critical interpretations of their productions accompany these summaries of eighty seven famous operas **The Complete Opera Book** Gustave Kobbé, 1919 **The Cambridge Companion to Seventeenth-Century Opera**, The Metropolitan Opera Stories of the Great Operas John W. Freeman, 1984 Contains the plots of 150 of the world's most popular operas short biographies of the 72 composers represented plus background material pertinent to each work *An Invitation to the Opera, Revised Edition* John Louis DiGaetani, 2015-12-22 In its revised third edition this volume argues that an appreciation of opera is based on understanding of several key aspects history language theatrical production the power of the conductor vocal tradition and standard repertory This unique approach is intended for the newcomer curious about the art form The author discusses how opera has changed in the last three decades and how it is now more easily enjoyed than ever before Originally published in 1986 this book has been translated into four languages and has been used as an Introduction to Opera text in college classrooms around the world A Night at the Opera Sir Denis Forman, 2011-10-05 Delightful and anti reverential Sunday Times London With an encyclopedic knowledge of opera and a delightful dash of irreverence Sir Denis Forman throws open the world of opera its structure composers conductors and artists in this hugely informative guide A Night at the Opera dissects the eighty three most popular operas recorded on compact disc from Cilea's *Adriana Lecouvreur* to Mozart's *Die Zauberflöte* For each opera Sir Denis details the plot and cast of characters awarding stars to parts that are worth looking out for really good or occasionally stunning He goes on to tell the history of each opera and its early reception Finally each work is graded from alpha to gamma although the Ring cycle gets an X and Sir Denis has no qualms about voicing his opinion the first act of *Fidelio* is a bit of a mess while the last scene of *Don Giovanni* towers above the comic finales of *Figaro* and *Cos* and whether or not it is Mozart's greatest opera it is certainly his most powerful finale The guide also presents brief biographies of the great composers conductors and singers A glossary of musical terms is included as well as Operatica or the essential elements of opera from the proper place and style of the audience's applause and boos to the use of subtitles A Night at the Opera is for connoisseurs and neophytes alike It will entertain and inform delight and perhaps infuriate providing a subject for lively debate and ready reference for years to come Ruling the Stage: Social and Cultural History of Opera in Sichuan from the Qing to the People's Republic of China Igor Iwo Chabrowski, 2022-06-08 Through an innovative interdisciplinary reading and field research Igor Chabrowski analyses the history of the development of opera in Sichuan arguing that opera serves as a microcosm of the profound transformation of modern Chinese culture between the 18th century and 1950s He investigates the complex path of opera over this course of history exiting the temple festivals becoming a public obsession on commercial stages and finally being harnessed to partisan propaganda work The book analyzes the process of cross regional integration of Chinese culture and the emergence of the national opera genre

Moreover opera is shown as an example of the culture wars that raged inside China's popular culture Opera for the People Katherine K. Preston, 2017-10-11 Opera for the People is an in depth examination of a forgotten chapter in American social and cultural history the love affair that middle class Americans had with continental opera translated into English in the 1870s 1880s and 1890s and the women who managed sang in and bankrolled these companies Opera Plot Index David Hamilton, William E. Studwell, 2020-11-25 First Published in 1990 Information about individual operas and other types of musical theater is scattered throughout the enormous literature of music This book is an effort to bring that data together by comprehensively indexing plots and descriptions of individual operatic background criticism and analysis musical themes and bibliographical references The principal audience for this general reference guide will be for the non specialist but its hoped that persons specialising in opera would also find it useful **The Operas of Gilbert and Sullivan** Percy Hetherington Fitzgerald, 1894
