*Encountering Dragonfly* Brooke Williams, 2025-04-08 A glittering gem of a book Sy Montgomery author of *The Soul of an Octopus* Following dragonflies into the territory between nature and the human psyche Two decades ago naturalist and environmental writer Brooke Williams had a powerful dream about a dragonfly a dream that cracked open his world by giving rise to a steady stream of dragonfly encounters in his waking life In the years since he has delved deeply into the fascinating biology and natural history of dragonflies and made pilgrimages to see them he now has 38 species on his life list while also exploring their symbolic meaning and cross cultural significance *Encountering Dragonfly* is his account related in a series of odonate encounters of being drawn into a different kind of relationship with the natural world By opening himself to the personal and mytho poetic meanings of dragonfly and patiently courting an understanding of these creatures that is built upon but also transcends a naturalist's observation Brooke has come to believe in the importance of re enchantment Many scholars believe that for most of human history we lived in an enchanted world in which myth and magic ritual and stories and spirits informed every aspect of our lives The enchantment ended with the Enlightenment and modernity when reason and scientific discovery explained away the magic commencing a commodification of nature that has flourished ever since Brooke's personal re enchantment has required of him a faith that material biological reality isn't the only reality it recognizes symbols and archetypes as remnants of a different understanding which may as perhaps they always have play a role in our long term survival In many cultures the dragonfly carries messages between the inner and outer world For Brooke Williams the message of the dragonfly is to ask questions about synchronicity awe and the collective unconscious and how to engage with a world increasingly out of balance What are the implications of following a path toward greater enchantment In a time where engagement with the political and social realities of climate change and environmental degradation can't possibly be valued highly enough can we afford to choose such a path Perhaps more to the point can we afford not to **The Slow Philosophy of J. M. Coetzee** Jan Wilm, 2016-06-16 In *The Slow Philosophy of J M Coetzee* Jan Wilm analyses Coetzee's singular aesthetic style which he argues provokes the reader to read his works slowly The effected slow reading is developed into a method specifically geared to analyzing Coetzee's singular oeuvre and it is shown that his works productively decelerate the reading process only to dynamize the reader's reflexion in a way that may be termed philosophical Drawing on
