Rindisbacher,1992 Demonstrates that sense of smell plays a significant role in the history of European literature      **The "Miracle Roses" - a True Story** Lynda Peringian MS RD,2005-09-20 MYSTERIES With ROSES Supernatural Phenomenon A Sense of Awe VALENTINE S DAY soon here Feb 14 Valentine s Day is known as a holiday to celebrate love and roses are much loved and admired Roses were the embodiment of love spirituality and beauty in the Middle Ages and progressing throughout history have become a decorative symbol of earthly love If you ask ten people to name their favorite flower

probably the majority would name the rose. Roses are given to others as a gift to express one's love. Another holiday similar to Valentine's Day is Sweetest Day held on the third in October, also celebrated with roses. Although it is hard to believe, there are so many mysteries with roses which are true stories reported by people worldwide. Fresh cut long stem red roses delivered by a florist actually stayed alive for ten to 10 weeks, a historical record. This historical record, an INCREDIBLE FIND, happened to Lynda Peringian from Dryden, MI. This was documented in the front page of the newspaper *The Eccentric* and witnessed by so many people. Peringian happened to be an author, so she wrote a book about the true story. Now readers of her book *The MIRACLE ROSES: A True Story* are reporting mysteries which are connected to this book. A live red rose in the middle of the road, said Connie Simmons. A single red rose on the floor, reported Judi Peli. How is it possible for a nun, St. Therese, living only to the young age of 24, to touch the lives of millions of people a century after her death? Love is the answer. She was extremely full of love, not only with her family and other people but with nature. St. Therese loved flowers, especially roses, and she said, "After my death, I will let fall a shower of roses." That she is doing, causing a sense of supernatural phenomenon, a sense of awe. For over a century, St. Therese has kept her promise, and she is known to be a powerful intercessor to those who call upon her. She also said, "I will spend my heaven in doing good on earth." Miracles, grace, favors, and so many good things are happening everyday by intercessions, mediation, and they are happening worldwide. St. Therese is known as the greatest saint of modern times, and she touches us all with her presence from heaven. She is known with many religions: Jewish, Moslems, Christian, etc. Although some people think she is associated with only Catholics, this is not true. She is well liked, and people seek her healing and guidance. She is known as the Little Flower since she thought of herself as being a small flower in a garden. A saint is a holy person who performs miracles. St. Therese's ability to work miracles comes from God. She is a conduit of God's power. Can you imagine roses appearing to people and causing us all to wonder? If it happens to you, you say to yourself, "What on earth is going on? You are wondering if this is a dream. You are not afraid but rather pleasantly surprised and happy with this good event. It is a blessing. St. Therese often leaves a rose as her calling card and outward sign of her presence. Although there are no traceable explanations to the fascinations of life's mysteries, wouldn't you agree that life would be dull without them? Surprisingly, readers of Peringian's inspirational book have reported roses appearing to them, usually red in color. They have been fresh cut roses but also silk roses. The floral industry, florists, gardeners, nurseries, associations, societies, and others involved with roses have said, "Fresh cut long stem roses have not lived as long as Peringian's roses." Take note that these roses were delivered by a florist to her house, which were fresh cut roses, not roses growing outside in her backyard. Roses usually live no longer than one to two weeks, perhaps a little longer. People all over are saying, "I never have heard of roses lasting as long." Time to Smell the Roses Michael Hoeye, 2007. There's something prickly going on in the town of Thorny End, and as Hermux Tantamoq is about to discover, it's not just the roses. When rose magnate Androse deRosenquill asks him to take on an intriguing missing squirrel case, Hermux can't say no, and before he

knows it he's caught up in a mystery Illustrations      The Early Novels Deborah Levy, 2017-05-09 Beautiful Mutants Deborah Levy's feverish allegory of a first novel introduces a manipulative and magical Russian exile who summons forth a series of grotesques among them the Poet the Banker and the Anorexic Anarchist Levy explores the anxieties that pervaded the 1980s exile and emigration broken dreams crazed greed and the first seeds of the global financial crisis self-destructive desires and the disintegration of culture In *Swallowing Geography* J K like her namesake Jack Kerouac is always on the road traveling Europe with her typewriter in a pillowcase She wanders meeting friends and strangers battling her raging mother and taking in the world through her uniquely irreverent ironic perspective Levy blends fairytale with biting satire pushing at the edges of reality and marveling at where the world collapses in on itself In *The Unloved* a group of hedonistic tourists from Algeria England Poland Germany Italy France and America gathers to celebrate the holidays in a remote French chateau Then a woman is brutally murdered and the sad eerie child Tatiana declares she knows who did it The subsequent inquiry into the death however proves to be more of an investigation into the nature of identity love insatiable rage and sadistic desire      **A Story of Perfume** Lidia Mihaela Necula, 2025-08-01 Scent is an ephemeral yet deeply evocative presence an invisible force shaping memory identity and artistic expression This is a groundbreaking interdisciplinary volume that redefines the role of olfaction in cultural and intellectual discourse Moving beyond conventional analyses this collection explores the historical poetic and philosophical dimensions of fragrance tracing its influence on literature anthropology psychology and marketing Structured into five interwoven sections the volume examines how scent functions as a literary motif a marker of personal and collective transformation and a dynamic agent in the construction of social and aesthetic meaning From the metaphorical power of fragrance in classical texts to its contemporary implications in branding and sensory design the contributors offer a nuanced exploration of olfactory culture across time and space By bringing together scholars from multiple disciplines this volume positions scent as a crucial element of human experience shedding new light on its presence in artistic creation identity formation and cultural narratives This volume is an invaluable resource for those interested in sensory studies literature cultural history and the ever-evolving dialogue between perception and storytelling      *Deviance in Contemporary Crime Fiction* C.
