

Smoke From The Ashes

Sir George Cockburn

Smoke From The Ashes:

Smoke from the Ashes William W. Johnstone, 2008-07-01 A skilled ex soldier fights a Libyan terrorist and leagues of man eating mutants in post apocalyptic America from a USA Today bestselling author The devastating nuclear nightmare of the Great War brings civilization to the brink of destruction Only Ben Raines and his tireless Rebels share the dream of rebuilding society out of the smoldering remains of America The power mad Middle Eastern terrorist Khamasin has already begun his bloodthirsty assault on America s southern tier But an even deadlier threat lurks in the plague ridden ruins of the country s once great cities where crazed flesh eating packs of starved mutants hunt for fresh human kill Raines and his Rebels are in for the battle of their lives But the do or die freedom fighters are willing to face Hell on Earth to strike a blow for America s survival Seventh in the long running series

Smoke from the Ashes William W. Johnstone, 1989-05-01 After the nuclear war of 88 Ben Raines and his small rebel army must conquer Libyan blood terrorists and Mutant Night People before rebuilding a country that was known as America

Smoke and Ashes Amitav Ghosh, 2024-02-13 Named a Most Anticipated Book of 2024 by Foreign Policy Literary Hub and The Millions Ghosh unravels the impact of the opium trade on global history and in his own family the climax of a yearslong project When Amitav Ghosh began the research for his monumental cycle of novels the Ibis Trilogy he was startled to learn how the lives of the nineteenth century sailors and soldiers he wrote about were dictated not only by the currents of the Indian Ocean but also by the precious commodity carried in enormous quantities on those currents opium Most surprising of all however was the discovery that his own identity and family history were swept up in the story Smoke and Ashes is at once a travelogue a memoir and an essay in history drawing on decades of archival research In it Ghosh traces the transformative effect the opium trade had on Britain India and China as well as the world at large The trade was engineered by the British Empire which exported Indian opium to sell to China to redress their great trade imbalance and its revenues were essential to the empire s financial survival Following the profits further Ghosh finds opium central to the origins of some of the world s biggest corporations of America s most powerful families and prestigious institutions from the Astors and Coolidges to the Ivy League and of contemporary globalism itself Moving deftly between horticultural history the mythologies of capitalism and the social and cultural repercussions of colonialism in Smoke and Ashes Ghosh reveals the role that one small plant has had in making our world now teetering on the edge of catastrophe
