Adventism Re-examined: 75 Years of Changes, Challenges and Choices Gordon Kainer, 2019-11-13 My book's objective is to describe the beliefs practices and ventures of the Adventist church that have had or still have a significant impact on my life Looking back I now have a better understanding why ancient Israel was repeatedly told to remember what God had done for them For this reason there will be much reminiscing retelling of personal experiences and evaluating church teachings and decisions all in the endeavor to make sense of what has happened That can only take place if we bathe our words and expressions in grace love and understanding The book endeavors to answer the underlying question what do we mean when we use the term church What are the primary reasons for its existence When you ask Adventists such a question we hope they answer with a reply that is inspiring and practical In presenting my view of Adventism over the past seventy five years it's had a positive effect on my knowing and understanding Jesus and I hope the same goes for you **The**

Birth of Jesus the Messiah Edward C. Visser, 2017-02-24 People love to hear the familiar Christmas stories during the season of Advent No matter how creative one might be with different approaches to Christmas preaching for most it just doesn't seem the same without angels and shepherds and magi without Mary and Joseph and even wicked king Herod and certainly without the child born in the manger This leaves the preacher with four chapters of the scriptures Matthew 12 and Luke 12 as the primary resources for the season Preaching from these chapters for three years much less thirty years is a challenge We are either left with preaching the same sermons sometimes under different titles or we need to think about Christmas preaching more creatively The Birth of Jesus the Messiah combines thematic commentary on the birth stories of Matthew and Luke with preaching and teaching ideas Biblical themes flowing through each birth narrative set forth by the Gospel writers themselves inspire fresh sermon series ideas for the Advent season Over thirty sermon series ideas include In the Shadow of Herod Advent at Risk Women in Jesus Genealogy Covenants for Christmas Lukes Symphony Angels in Advent Don't Be Afraid Engage with The Birth of Jesus the Messiah as a fresh starting point and annual resource for planning your Advent and Christmas preaching **Forthcoming Books** Rose Army, 2000 Leslie's, 1914 **World Tennis**, 1975
