The Oxford Handbook of Indigenous American Literature James H. Cox, Daniel Heath Justice, 2014-07-31 Over the course of the last twenty years Native American and Indigenous American literary studies has experienced a dramatic shift from a critical focus on identity and authenticity to the intellectual cultural political historical and tribal nation contexts from which these Indigenous literatures emerge The Oxford Handbook of Indigenous American Literature reflects on these changes and provides a complete overview of the current state of the field The Handbook s forty three essays organized into four sections cover oral traditions poetry drama non fiction fiction and other forms of Indigenous American writing from the seventeenth through the twenty first century Part I attends to literary histories across a range of communities providing for example analyses of Inuit Chicana o Anishinaabe and M tis literary practices Part II draws on earlier disciplinary and historical contexts to focus on specific genres as authors discuss Indigenous non fiction emergent trans Indigenous autobiography Mexicanoh and Spanish poetry Native drama in the U S and Canada and even a new Indigenous children s literature canon The third section delves into contemporary modes of critical inquiry to expound on politics of place comparative Indigenism trans Indigenism Native rhetoric and the power of Indigenous writing to communities of readers A final section thoroughly explores the geographical breadth and expanded definition of Indigenous American through detailed accounts of literature from Indian Territory the Red Atlantic the far North Yucat n Amerika Samoa and Francophone Quebec Together the volume is the most comprehensive and expansive critical handbook of Indigenous American literatures published to date It is the first to fully take into account the last twenty years of recovery and scholarship and the first to most significantly address the diverse range of texts secondary archives writing traditions literary histories geographic and political contexts and critical discourses in the field

Indigenous STEM Education Pauline W. U. Chinn, Sharon Nelson-Barber, 2023-08-04 This book explores ways in which systems of local knowledge culture language and place are foundational for STEM learning in Indigenous communities It is part of a two volume set that addresses a growing recognition that interdisciplinary cross cultural and cross hybrid learning is needed to foster scientific and cultural understandings and move STEM learning toward more just and sustainable futures for all learners Themes of learning from elders through practice and place based experiences are found across cultures Each

chapter brings a uniquely Indigenous point of view to the educational transformation efforts taking place in these distinct contexts In the second section the chapters use authentic research stories to explain many ways in which regular disciplinary policies and practices can impact Indigenous students participation in STEM classrooms and careers These authors go on to discuss ways to engage learners in STEM activities that are interconnected with the contexts of their lives *Ethnic Literary Traditions in American Children's Literature* M. Stewart,Y. Atkinson,2009-11-23 Esteemed contributors expand the range of possibilities for reading understanding and teaching children s literature as ethnic literature rather than children s literature in this ambitious collection **Power, Voice and the Public Good** Rodney Hopson,Carol Camp-Yeakey,Francis Musa Boakari,2008-12-01 Focuses on such themes as attention to the definitional and theoretical underpinnings of globalization the ubiquitous nature and topical display of globalization and the possibilities of understanding redefining and rethinking aspects of globalization with the backdrop of issues that relate to education and the pursuit of public good **Encountering Children's Literature** Jane M. Gangi,2004 In this text Jane M Gangi gives us a new perspective on how integrating the fine arts and literature fosters the active participation and in depth understanding that is as important for children as it is for teachers The heart of the book is a comprehensive treatment of children s literature with a strong emphasis on multicultural and international literature Jaquette **New Mexico Magazine** ,2012 **A Broken Flute** Doris Seale,Beverly Slapin,2006-12-21 The Winona dilemma Lois Beardslee No word for goodbye Mary TallMountain About the contributors *Best Books for Children* Catherine Barr,2006 Contains more than 25 000 titles of books recommended for children in grades K 6 Writing the Southwest David King Dunaway,Sara L. Spurgeon,2003 The accompanying CD provides excerpts from the interviews with the authors **Critical Inquiries** Jacqueline Jones Royster,2003 Critical Inquiries intends to spark discussion and response with seven focused explorations of cultural themes that provide contexts and occasions for college writers to develop a stance and voice Edited by noted composition scholar Jacqueline Jones Royster Critical Inquiries unlike many readers does not attempt to present a balanced perspective Instead each of the seven major topics identity home nation immigration education health and technology is framed by a sequence of readings that disrupt and unsettle conventional thinking Students are challenged to move beyond simplistic pro con argumentation to explore connections between personal and public life in their own essays and responses Readings in Critical Inquiries include historical as well as contemporary voices going beyond traditional essays to include poems letters position and policy statements and literary nonfiction This multi genre approach brings issues of language awareness and rhetorical strategy to the forefront offering students a rich engagement with the deliberate choices made by responsible writers Best Books for Children, Preschool Through Grade 6 ,2006
