## **Songs Of Songs Interpreted By Early Christian And Medieval Commentators:**

*The Song of Songs* Richard Alfred Norris (Jr.), Jr. Norris, Richard A., 2003-11-18 The Song of Songs traditionally attributed to Solomon is a collection of lyrics that celebrate in earthly terms the love of a bridegroom and a bride Throughout the course of early Christian history the Song of Songs was widely read as an allegory of the love of Christ both for the church and for its individual members In reading the Song this way Christians were following in the steps of Jewish exegetes who saw the Song as celebrating the love of God for Israel In The Song of Songs the inaugural volume of The Church's Bible Richard A Norris Jr uses commentaries and sermons from the church's first millennium to illustrate the original Christian understanding of Solomon's beautiful poem In recent times the Song of Songs has been more a focus of literary than of religious interest but Norris's work shows that for early Christians this text was counted with the Psalms and the Gospels among those Scriptures that touched most deeply on the believer's relation to God All in all Norris's Song of Songs is a masterful work that aptly acquaints contemporary readers with the church's traditional way of discerning in this text a guide to the character of Christian belief and life This volume and the entire Church's Bible series will be welcomed by preachers teachers students and general readers alike

### **The Hope in Our Scars**

Aimee Byrd, 2024-05-07 Aimee Byrd peels back the church's underlying and pervasive theology of power to face the shame that lurks there and find the lasting hope of belonging in Christ Some things happening in the church these days should provoke our anger It's racked with scandals of fraud abuse cover up It's embroiled in racism misogyny marginalization and hatred The truth is that we have to fight to love Christ's church Many of us are left wondering what kind of hope can the church offer if its leaders will not care for its wounds admit their complicity and move toward true reconciliation with God's people From the author of Recovering from Biblical Manhood and Womanhood comes a passionate plea to work through our disillusionment with the church and rediscover what's true and beautiful about our covenantal union with Christ Having tread her own path of disillusionment Aimee Byrd invites us to see Christ among the chaos so apparent in his church Along the way Aimee guides us through deeply theological and personal reflections on how we can Cultivate healthier forms of trust

by recognizing power structures at work Understand the limits of authority and free ourselves from tribes and celebrity culture Take appropriate social risks by speaking up when we re uncomfortable Rediscover how our stories matter to God This book is written to those who have been wounded by the church To those who have suffered abuse at the hands of church leaders and are left with deep scars To those who are disillusioned or deconstructing their faith The Hope in Our Scars offers a way forward with a God who walks with us in our affliction and wants to make it into something beautiful *The Earthy Nature of the Bible* R. Boer, 2012-11-15 Through a series of close readings Boer explores the earthy nature of the Bible These readings are gathered into three parts the Song of Songs Masculinities Paraphilias Each study is undertaken with rigorous attention to relevant scholarship and significant theoretical engagement especially with psychoanalysis ecocriticism and Marxism *XV Congress of the International Organization for Septuagint and Cognate Studies* Wolfgang Kraus, Michaël N. van der Meer, Martin Meiser, 2016-08-26 Essays from experts in the field of Septuagint studies The study of Septuagint offers essential insights in ancient Judaism and its efforts to formulate Jewish identity within a non Jewish surrounding culture This book includes the papers given at the XV Congress of the International Organization for Septuagint and Cognate Studies IOSCS held in Munich Germany in 2013 The first part of this book deals with questions of textual criticism The second part is dedicated to philology The third part underlines the increasing importance of Torah in Jewish self definition Features Essays dealing with questions of textual criticism mostly concerning the historical books and wisdom literature and ancient editions and translations Philological essays covering the historical background studies on translation technique and lexical studies underline the necessity of both exploring general perspectives and working in detail **The Splendor of the Church in Mary** Theresa Marie Chau Nguyen, 2023-05-05 Henri de Lubac SJ 1896 1991 is one of the most renowned theologians of the twentieth century Numerous studies have been undertaken to examine his many contributions to theology but little attention has been paid to the specific topic of the relationship of the Blessed Virgin Mary and the Church in his writings This was a topic that gave rise to contentious discussion at the Second Vatican Council and although the Council fathers approved the integration of Marian doctrine into the Dogmatic Constitution on the Church this synthesis of Mariology and ecclesiology has been largely neglected in theology today The Splendor of the Church in Mary retrieves de Lubac s Marian ecclesiology and revives an understanding and appreciation of its enduring influence at the Vatican Council and beyond The first part examines de Lubac s pre conciliar works which evince a steady biblical and patristic ressourcement of Marian themes It also explores his writings on Teilhard de Chardin s Eternal Feminine Christian mysticism and Amida Buddhism and discovers in them the essential building blocks of his Marian thought The second part turns to the Second Vatican Council and post conciliar developments Rereading the debates and texts of Lumen Gentium through a Marian lens brings to light the extent of de Lubac s influence M ditation sur l Eglise 1953 his principal work on Mary and the Church anticipated the structure and content of Lumen Gentium a decade before the Council De Lubac s writings provided a theological compass for the Council

fathers and they continue to provide direction and orientation for ecclesiological discourse today The Splendor of the Church in Mary culminates in a constructive analysis of one of the most pressing pastoral and ecclesiological questions of our times the question of the relationship of the universal and particular churches Directly engaging the crucial debate between then Cardinal Ratzinger and Cardinal Kasper it proposes that de Lubac's Mariology effectively offers a new perspective and a refreshing path forward Attentive to the mystical identification of Mary and the Church de Lubac's *ressourcement* has the potential to re-enchant and advance contemporary theology in new and significant ways Altogether Lovely Havilah Dharamraj, 2018-06-01 The frank eroticism of the Song of Songs has long seemed out of place in the Hebrew Bible As a result both Jewish and Christian interpreters have struggled to read it as an allegory of the relationship between God as husband and Israel or the church as bride Havilah Dharamraj approaches the Song with a clear vision of the gendering of power relationships in the ancient Near East and through an intertextual method centered not on production but on the reception of texts She sets the Song's lyrical portrayal of passion and intimacy alongside other canonical portrayals of love spurned lust rejection and sexual violence from Hosea Ezekiel and Isaiah The result is a richly nuanced exposition of the possibilities of intimacy and remorse in interhuman and divine human relationship The intertextual juxtaposition of contrasting texts produces a third text an intracanonical conversation in which patriarchal control and violence are answered in a tender and generous mutuality

**Divine Enjoyment** Elaine Padilla, 2014-12-02 This book's theological and philosophical construction of a God of enjoyment poetically remaps divine love Posing a critique to the Aristotelian unmoved mover whose intellectual enjoyment is self-enclosed this book's affective tones depict a passionate God who intermingles with the cosmos to suffer and yearn out of love even improper love Divine Enjoyment leads the reader to a path of excess first in the form of an intellectual appetite that for Aquinas places God beyond the divine self then more erotically in the silhouette of a lover whose love is like the delectable pain of mystics Culminating with banqueting fiesta and carnival the book deterritorializes God's affect conceiving of an expansively hospitable enjoyment stemming from many life forms With a renewed welcome for pleasure the book also upholds a disruptive ethic Ultimately an immoderate God of love whose passionate enjoyment stems from the sufferings as well as joys of the cosmos offers another paradigm of lovingly enjoying oneself in relationship with passionate beings that belong to many others

Engaging the Doctrine of Marriage Matthew Levering, 2020-08-12 This book is the next volume in Levering's Engaging Doctrine series The prior volume of the series examined the doctrine of creation The present volume examines the purpose of creation the marriage of God and humans God created the cosmos for the purpose of the marriage of God and his people and through his people the marriage of God and the entire creation Given that the central meaning or prime analogate of marriage is the marriage of God and humankind the study of human marriage needs to be shaped by this eschatological goal and foregrounded as a dogmatic theme After a first chapter defending and explaining the biblical witness to the marriage of God and his people the book explores various themes marriage as an image

of God original sin as the fall of the primordial marriage the cross of Jesus Christ and marital self sacrificial love the procreative and unitive ends of marriage marriage as a sacrament and marriage s importance for social justice and for the upbuilding of the kingdom of God Along the way the book provides an introduction to the key biblical patristic medieval modern and contemporary thinkers and controversies regarding the doctrine of marriage

**Body as Landscape, Love as Intoxication** Brian P. Gault, 2019-09-13 Explore metaphors in the exquisite and enigmatic poetry of Song of Songs One of the chief difficulties in interpreting the Song s lyrics is the unusual imagery used to depict the lovers bodies Why is the maiden s hair compared to a flock of goats 4 1 the man s cheeks likened to garden beds of spice 5 13 and the eyes of both lovers described as doves 4 1 5 12 While scholars speculate on the significance of these images a systematic inquiry into the Song s body metaphors is curiously absent Based on insights from cognitive linguistics this study incorporates biblical and comparative data to uncover the meaning of these metaphors surveying literature in the eastern Mediterranean and beyond that shares a similar form poetry and theme love Gault presents an interpretation of the Song s body imagery that sheds light on the perception of beauty in Israel and its relationship to surrounding cultures Features Exploration of the Song s use of universal themes and culturally specific variations Discussion of the Song s literary structure and unity

IV Wright, 2015-04-28 In this addition to the Catholic Commentary on Sacred Scripture two well respected New Testament scholars interpret the Gospel of John in its historical and literary setting as well as in light of the Church s doctrinal liturgical and spiritual tradition They unpack the wisdom of the Fourth Gospel for the intellectual and spiritual transformation of its readers and connect the Gospel with a range of witnesses throughout the whole history of Catholicism This volume like each in the series is supplemented by features designed to help readers understand the Bible more deeply and use it more effectively in teaching preaching evangelization and other forms of ministry

*Immediacy and Meaning* Caitlin Smith Gilson, 2017-02-09 *Immediacy and Meaning* seeks to approach the odd uneasiness at root in all metaphysical meaning that the human knower attempts to mediate what cannot be mediated that there is a pre cognitive immemorial immediacy to Being that renders its participants irreducible incommunicable and personal The dilemma of metaphysics rests on the relationship between the spectator and the player both as essential responses to the immediacy of Being *Immediacy and Meaning* is an attempt to pause but without retreat to be a spectator within the game to gain access into this immediate Presence for a moment only perhaps before the signatory failure into metaphysical language returns us to the mediated J K Huysman s semi autobiographical tetralogy anchors this book as a meditation neither purely poetic nor only philosophical it claims a unique territory when attempting to speak what cannot be spoken The unnerving merits of nominalism the difficulties of an honest appraisal of efficacious prayer the mad sanity of the muse the relationship between the uncreated and the created and an originary ethics of antagonism each serves to clarify the formation of a new epistemology

**Heavenly Sustenance in Patristic Texts and Byzantine Iconography** Elena Ene

D-Vasilescu, 2018-10-22 This book examines ideas of spiritual nourishment as maintained chiefly by Patristic theologians those who lived in Byzantium It shows how a particular type of Byzantine frescoes and icons illustrated the views of Patristic thinkers on the connections between the heavenly and the earthly worlds The author explores the occurrence and geographical distribution of this new type of iconography that manifested itself in representations concerned with the human body and argues that these were a reaction to docetist ideas The volume also investigates the diffusion of saints cults and demonstrates that this took place on a North South axis as their veneration began in Byzantium and gradually reached the

northern part of Europe and eventually the entirety of Christendom      Sacred Rhetoric Michael Pasquarello III, 2012-06-01

Modern approaches to preaching today are largely fixated on how to make preaching more relevant more interesting more entertaining Michael Pasquarello suggests that this fixation may stem from a preaching imagination beholden to technical scientific reason than theological wisdom Rather than devising new techniques or strategies for effective speaking Pasquarello offers something more salutary portraits of ten exemplary preachers from the Christian tradition Included in Pasquarello's gallery are Augustine of Hippo Gregory the Great Benedict Bernard of Clairvaux Bonaventure Thomas Aquinas Erasmus Hugh Latimer Martin Luther and John Calvin These excellent preachers conceived of Christian speech as a unique theological practice learned through prayerful attention to the Bible and aimed at communion with God Sacred Rhetoric invites readers to join an extended conversation with the past in order to become faithful preachers of the gospel in a post Christian society Preachers seminarians and students of Christian history will find much to learn from Pasquarello's fresh perspective and passion for the past      *Pro Ecclesia Vol 18-N4* Pro Ecclesia, 2010-01-16 Pro Ecclesia is a quarterly journal of theology published by the Center for Catholic and Evangelical Theology It seeks to give contemporary expression to the one apostolic faith and its classic traditions working for and manifesting the church's unity by research theological construction and free exchange of opinion Members of its advisory council represent communities committed to the authority of Holy Scripture ecumenical dogmatic teaching and the structural continuity of the church and are themselves dedicated to maintaining and invigorating these commitments The journal publishes biblical liturgical historical and doctrinal articles that promote or illumine its purposes Ways to subscribe Call toll free 800 273 2223 Email journals rowman com For back issues please contact journals rowman com Editorial inquiries Joseph Mangina joseph mangina utoronto ca Submissions should be sent by email attachment in Microsoft Word double spaced with identifying marks removed for the purposes of blind peer review Book review inquiries Chad Pecknold pecknold cua edu Advertising inquiries Charles Roth Jr charlie spireads com Subscription inquiries journals rowman com ISSN 1063 8512      **Inner Animalities** Eric Daryl Meyer, 2018-07-03 Most theology proceeds under the assumption that divine grace works on human beings at the points of our supposed uniqueness among earth's creatures our freedom our self awareness our language or our rationality Inner Animalities turns this assumption on its head Arguing that much theological anthropology contains a deeply anti ecological impulse the book draws creatively on historical and scriptural texts to imagine an account of human life centered in our creaturely commonality The tendency to deny our own human animality leaves our self understanding riven with contradictions disavowals and repressions How are human relationships transformed when God draws us into communion through our instincts our desires and our bodily needs Meyer argues that humanity's exceptional status is not the result of divine endorsement but a delusion of human sin Where the work of God knits human beings back into creaturely connections ecological degradation is no longer just a matter of bodily life and death but a matter of ultimate significance

Bringing a theological perspective to the growing field of Critical Animal Studies Inner Animalities puts Gregory of Nyssa and Karl Rahner in conversation with Jacques Derrida Giorgio Agamben Kelly Oliver and Cary Wolfe What results is not only a counterintuitive account of human life in relation with nonhuman neighbors but also a new angle into ecological theology
