Songs Of The Vaishnava Acaryas

Dr. Jaquir Iqbal

Songs Of The Vaishnava Acaryas:

Vaishnava Padavali (English) Sarvasakshi Dasa,2022-01-01 Vaishnava Padavali The songs composed by the 44 Acharyas are not ordinary songs When these are pronounced by pure Vaishnavas Then they are actually effective in awakening the dormant Krsna consciousness in every living being

Vaishnava Kirtan (English) Sarvasaksi Dasa,2021-01-01 Vaishnava Kirtan or congregational chanting and singing of devotional melodies that exalt and honor the Supreme Lord particularly Lord Krishna and Lord Chaitanya Mahaprabhu is a happy and spiritually uplifting Vaishnava traditional activity Devotees gather to chant the Holy Names and experience the ecstasy of divine love throughout this practice which is a lively and soul stirring manifestation of devotion

Songs as Locus for a Lay Theology Philip K. Mathai,2019-02-07 Hymns and songs have long been the most frequent and characteristic expression of communal beliefs particularly among faith traditions that lack authoritarian or rigidly codified doctrinal statements Even among Christian traditions that do include a strong focus on creeds catechism and liturgy it is hymnody more than anything else that sustains their lay theology The hymns of Moshe Walsalam Sastriyar 1847 1916 and Sadhu Kochukunju Upadeshi 1883 1945 both from the Kingdom of Travancore in southwest India transcend denominational boundaries and have been embraced far beyond their historical communities of origin as a means of articulating faith and spirituality Against a missionizing backdrop of western dominated hymnody and theology these songs and writings from the fringes of colonialism were embraced by local communities and became their chosen expression of faith As such they evoked a lay consciousness quite distinct from official theologies of the church In Walsalam and Kochukunju along with other Christian writers of their period and culture we see a unique inter weaving of local traditions and the global Christian message one that transformed social and spiritual relationships for individuals and their communities alike

A Storm of Songs John Stratton Hawley,2015-03-09 A widely accepted explanation for India s national unity is a narrative called the bhakti movement poet saints singing bhakti from India s southern tip to the Himalayas between 600 and 1600 John Hawley shows that this narrative with its political overtones was created by the early twentieth century circle around Rabindranath Tagore in Bengal

The Unusual Essays of an Unknown Sri Vaishnava M. K. Sudarshan,2025-06-24 The author brings to bear a refreshingly new focus on various traditional concepts and scriptures while taking care to toe the traditional Sri Vaishnava line mostly With an impeccable language and excellent narrative style this book impresses one with its nice turn of phrases the facile rendering of even difficult ideas in comprehensible terms This book would form a welcome addition to anyone s library especially useful to expatriate youth of today it would help them find their traditional spiritual moorings despite being cast adrift in the ocean of international commerce with no polestar to guide them
