You are what You Hear Harry Witchel, 2010 Pondering the musicality of everything from bird songs to the language he calls motherese Dr Witchel illustrates the power of music and addresses the questions Why do we have music What does music do to our emotions Can animals hear and understand music What does music do to your brain Why do people listen to sad music Why do some people like classical but others only like heavy metal Is there some essential feature to all music You Are What You Hear is an erudite and entertaining study that is unique in many ways No other book has thoroughly elaborated the connection between music and social territory in humans although in other music making species scientists have shown this connection to be clear cut Given the wealth of scientific evidence and historical narratives presented in You Are What You Hear an intellectual investigation of this avenue is long overdue Written by a psychobiologist the work straddles hard science and psychology approaching music from a unique interdisciplinary perspective Successfully bridging these strands of evidence You Are What You Hear elucidates the significance of territory not only in music but in daily life This lively and

engaging book will have a broad appeal not only to the general public but to students interested in the relationship between music and culture Anyone from seventeen to ninety seven will have the potential to gain something from this book

Black Popular Music in Britain Since 1945 Jon Stratton, Nabeel Zuberi, 2016-04-15 Black Popular Music in Britain Since 1945 provides the first broad scholarly discussion of this music since 1990 The book critically examines key moments in the history of black British popular music from 1940s jazz to 1970s soul and reggae 1990s Jungle and the sounds of Dubstep and Grime that have echoed through the 2000s While the book offers a history it also discusses the ways black musics in Britain have intersected with the politics of race and class multiculturalism gender and sexuality and debates about media and technology Contributors examine the impact of the local the ways that black music in Birmingham Bristol Liverpool Manchester and London evolved differently and how black popular music in Britain has always developed in complex interaction with the dominant British popular music tradition This tradition has its own histories located in folk music music hall and a constant engagement since the nineteenth century with American popular music itself a dynamic mixing of African American Latin American and other musics The ideas that run through various chapters form connecting narratives that challenge dominant understandings of black popular music in Britain and will be essential reading for those interested in Popular Music Studies Black British Studies and Cultural Studies

Asian Popular Culture Anthony Y.H. Fung, 2013-05-29 This book examines different aspects of Asian popular culture including films TV music comedy folklore cultural icons the Internet and theme parks It raises important questions such as What are the implications of popularity of Asian popular culture for globalization Do regional forces impede the globalizing of cultures Or does the Asian popular culture flow act as a catalyst or conveying channel for cultural globalization Does the globalization of culture pose a threat to local culture It addresses two seemingly contradictory and yet parallel processes in the circulation of Asian popular culture the interconnectedness between Asian popular culture and western culture in an era of cultural globalization that turns subjects such as Pok mon Hip Hop or Cosmopolitan into truly global phenomena and the local derivatives and versions of global culture that are necessarily disconnected from their origins in order to cater for the local market It thereby presents a collective argument that whilst local social formations and patterns of consumption and participation in Asia are still very much dependent on global cultural developments and the phenomena of modernity yet such dependence is often concretized reshaped and distorted by the local media to cater for the local market
