This delightfully thought provoking collection of short devotionals are designed to quickly elevate the mind of the reader to a single great truth from God s Word sparking meditative thought and encouraging the reader to remember that there is One Who is always by our side no matter what In the words of author Douglas Shields Initially as God spoke to me through his Word I shared my merrily mined morsels with immediate family members However my heart became burdened for my fellow brethren who were peppered with doubt plagued by discouragement and perilously close to despondency I longed to share with them the bountiful gifts of encouragement that had been so undeservingly poured into me Douglas Shields has been engaged in active Christian ministry for over 35 years Since his graduation from Bible Missionary Institute in 1985 with a Bachelor s Degree in Theology he has cared for the Body of Christ as a pastor missionary and evangelist His ministry to the Bible Missionary Church has covered the United States of America and 3 foreign countries Reverend Shields along with his wife Ramona McCasland has been most widely known for his missionary labors in Papua New Guinea Since beginning in 1993 they have completed five commissioned terms and are currently serving their sixth They also have spent time in Barbados and St Vincent

Luminescence, Volume 3 C. K. Barrett,Fred Barrett,2018-05-04 What is found in this series unveils an entirely different side of C K Barrett a side one might never have known about if one had knowledge only of his famous commentaries and monographs Herein lies a goodly selection of Kingsley s sermons preached largely in small and medium sized Methodist churches in the northeast of England though often elsewhere in England and around the world Fred Barrett was not the scholar his son was but on close inspection one can most definitely see the impact of the father on the son when it came to preaching It seems right to include as many sermons from both of these men as we can in this series One thing sorely lacking in much preaching these days is in depth engagement with both the biblical text and one s tradition and theology The sermons in these volumes demonstrate what such preaching can look like This third volume presents sermons from both the Old Testament and the New Testament
