Sonnets For Loversstrangers:

Fifty More Sonnets on Love, Life, Death, Rebirth, Honor, Humor and MORE Larry Lynn, 2010-11-10 This collection represents efforts to persuade any reader that the sonnet does not have to be a form impossible to emulate nor too difficult to understand It should be looked upon as a challenge to fit a universe of emotions into a particular framework simple in its limitations but as complex in its potential as the great writers before had made them through the brilliance of their individual genius Themes are as different as the experiences of the writer from day to day from birth to death and all the time in between The language need not be lofty nor does it need to reach down to the vulgar It can borrow from the past and delve into that of the future It can keep the rhyme schemes of those who made them famous or it may create new ones for any reason or none at all If sonnets are not worth reading they would never have been made

Stranger by Night Edward Hirsch, 2022-03-01 Now in his seventies the award winning poet looks back on what was and accepts what is in a deeply moving and beautiful sequence about what sustains him Beginning with *My Friends Don't Get Buried* the lament of a delinquent mourner as his friends have begun to die and ending with the plaintive note to self don't write elegies anymore Edward Hirsch takes us backward through the decades in these memory poems of startling immediacy He recalls the black dress a lover wore when he couldn't yet know the tragedy of her burning spirit the radiance of an

autumn day in Detroit when his students smoked outside passionately discussing Shelley the day he got off late from a railyard shift and missed an antiwar demonstration There are direct and indirect elegies to lost contemporaries like Mark Strand William Meredith and most especially his longtime compatriot Philip Levine whom he honors in several poems about daily work in the late mid century Midwest As the poet ages and begins to lose his peripheral vision the world is stranger by night but these elegant heart stirring poems shed light on a lifetime that inevitably contains both sorrow and joy
