

SONNET 147

My love is as a fever, longing still
For that which longer nurseth the disease,
Feeding on that which doth preserve the ill,
Th' uncertain sickly appetite to please.

My reason, the physician to my love,
Angry that his prescriptions are not kept,
Hath left me, and I desperate now approve
Desire is death, which physic did except.
Past cure I am, now reason is past care,
And frantic-mad with evermore unrest
My thoughts and my discourse as madmen's
are,

At random from the truth vainly expressed
For I have sworn thee fair, and thought thee
bright,

Who art as black as hell, as dark as night

Sonnets To Orpheusbook One:

The Sonnets to Orpheus Rainer Maria Rilke, 1986 Breathing you invisible poem World space in pure continuous interchange with my own being Equipose in which I rhythmically transpire Written only four years before Rilke's death this sequence of sonnets varied in form yet consistently structured stands as the poet's final masterwork In these meditations on the constant flux of our world and the ephemerality of experience Rilke envisions death not only as one among many of life's transformations but also as an ideally receptive state of being Because Orpheus has visited the realm of death and returned to the living his lyre a unifying presence in these poems is an emblem of fluidity and musical transcendence And Eurydice condemned to Hades as a result of Orpheus's backward glance becomes in Rilke's universe a mythical figure of consolation and hope Edward Snow in his translations of *New Poems The Book of Images Uncollected Poems and Duino Elegies* has emerged as Rilke's most able English language interpreter Adhering faithfully to the intent of Rilke's German while constructing nuanced colloquial poems in English Snow's *Sonnets to Orpheus* should serve as the authoritative translation for years to come *Sonnets to Orpheus* Rainer Maria Rilke, 2004-12-07 Written during an astonishing outburst of creativity during a period of only two weeks in February 1922 Rilke's *Sonnets to Orpheus* is one of the great poetic works of the twentieth century Willis Barnstone brings these striking poems into English with an approach honed through years of work on the philosophy of translation about which he has written extensively This dual language edition allows readers to compare versions face to face to get a clear sense of the nuances of the translation Also included is an extensive introduction from the translator that offers a biographical sketch of Rilke and reflects upon the ever present tension between the poet's passion for life romance and adventure and his yearning for the solitude he desperately needed to dedicate himself fully to his art

reading of Wright's work and the translations he insisted were as redemptive in his life as they were crucial to his poetics. At its center is a selection of Wright's translations both from German and Spanish poems by Trakl, Rilke, Heine, Vallejo, Lorca, and Neruda among others, including draft versions discovered among his collected papers that have never been published. It also provides an important assessment of the little-known formative influence of German poetry on Wright's own poems. Wright's literary relationship with another great mid-century American poet, Robert Bly, is featured here in a portfolio of unpublished letters, typescripts, and holographs. These tell the story of their ardent friendship and earliest translation collaborations and situate them in the history of the emergence of poetry of the true imagination that they were beginning to explore at that time.

We Persisted In This Together Media, 2019-10-15 A powerful collection of essays from actors, activists, athletes, politicians, musicians, writers, and teens, including Senator Amy Klobuchar, actress Alia Shawkat, actor Maulik Pancholy, poet Azure Antoinette, teen activist Gavin Grimm, and many many others, each writing about a time in their youth when they were held back because of their race, gender, or sexual identity, but persisted. Aren't you a terrorist? There are no roles for people who look like you. That's a sin. No girls allowed. They've heard it all. Actress Alia Shawkat reflects on all the parts she was told she was too ethnic to play. Former NFL player Wade Davis recalls his bullying of gay classmates in an attempt to hide his own sexuality. Teen Gavin Grimm shares the story that led to one of the infamous bathroom bills and how he's fighting it. Holocaust survivor Fanny Starr tells of her harrowing time in Auschwitz where she watched her family disappear one by one. What made them rise up through the hate? What made them overcome the obstacles of their childhood to achieve extraordinary success? How did they break out of society's limited view of who they are and find their way to the beautiful and hard-won lives they live today? With a foreword by Minnesota senator and up-and-coming Democratic party leader Amy Klobuchar, these essays share deeply personal stories of resilience, faith, love, and yes, persistence. An International Latino Book Award Winner, A National Council for Social Studies Selection. Each tale is a soulful testament to the endurance of the human spirit and reminds readers that they are not alone in their search for self. An unflinchingly honest book that should be required reading for every young person in America. **Kirkus Reviews** starred review.
