Mendocino is a rural county of striking natural beauty, friendly small towns and people who love and protect the land. Since the 1850s, Mendocino County has developed a personality influenced by the values of independent family farmers, their respect for the land and their dedication to quality. At present many farms are owned and cultivated by multiple generations of the county's historic farming families. Today Mendocino's grapegrowers stand out as leaders in sustainable, organic, Biodynamic® farming.

Winemakers highly regard the quality of fruit produced naturally on unspoiled land by Mendocino's passionate grapegrowers. Vintners create balanced, pure wines from grapes that express the individuality of Mendocino's 10, diverse appellations.
