**The Sea Peoples in the Bible** Othniel Margalith,1994      **Satan's Super Soldiers** Barry Blackstone,2024-04-30 Barry Blackstone has been fascinated with the biblical reference to giants since childhood but only began looking deeper into the subject when he was challenged by a member of his congregation twenty five years ago Over those years Blackstone compiled information on all the named giants and those that slew them men well known like David Joshua and Caleb and those not so well known like Othniel Elhanan and Abishai Coming to the conclusion that this race of super humans was a product of Satan s plan to corrupt man stop the coming of the Messiah and resist the Hebrews from possessing their promised land Blackstone began to see the principles and precepts needed to combat the giants of our day in our spiritual warfare against principalities against powers against the rulers of the darkness of this world against spiritual wickedness in high places Eph 6 12 Travel with this pastor through the Bible as he reveals the origin of the giants how they survived the Flood and when they were finally wiped out in the days of David With strange names like Rephaim OG Arba Anak Sheshai and of course Goliath learn about their fabled size their formidable weapons and why they all were so easily defeated This exploration will cover some of the greatest battles described in Scripture and will uncover how to win against gigantic foes personally Each chapter is written in a devotional style that will bring a spiritual encouragement to the reader and will help them see that no matter how invincible the adversary What shall we then say to these things If God be for us who can be against us Rom 8 31      *The Unseen Realm* Heiser, Michael S.,2015-09-01 In *The Unseen Realm* Dr Michael Heiser examines the ancient context of Scripture explaining how its supernatural worldview can help us grow in our understanding of God He illuminates intriguing and amazing passages of the Bible that have been hiding in plain sight You ll find yourself engaged in an enthusiastic pursuit of the truth resulting in a new appreciation for God s Word Why wasn t Eve surprised when the serpent spoke to her How did descendants of the Nephilim survive the flood Why did Jacob fuse Yahweh and his Angel together in his prayer Who are the assembly of divine beings that God presides over In what way do those beings participate in God s decisions Why do Peter and Jude promote belief in imprisoned spirits Why does Paul describe evil spirits in terms of geographical rulership Who are the glorious ones that even angels dare not rebuke After reading this book you may never read your Bible the same way again Endorsements There is a world referred to in the Scripture that is quite unseen but also quite present and active Michael Heiser s *The Unseen Realm* seeks to unmask this world Heiser shows how important it is to understand this world and appreciate how its contribution helps to make sense of Scripture The book is clear and well done treating many ideas and themes that often go unseen themselves With this book such themes will no longer be neglected so read it and discover a new realm for reflection about what Scripture teaches Darrell L Bock Executive Director for Cultural Engagement Senior Research Professor of New Testament Studies Howard G Hendricks Center for Christian Leadership and Cultural Engagement How was it possible that I had never seen that before Dr Heiser s survey of the complex reality of the

supernatural world as the Scriptures portray it covers a subject that is strangely sidestepped No one is going to agree with everything in his book but the subject deserves careful study and so does this book John Goldingay David Allan Hubbard Professor of Old Testament School of Theology Fuller Theological Seminary This is a big book in the best sense of the term It is big in its scope and in its depth of analysis Michael Heiser is a scholar who knows Scripture intimately in its ancient cultural context All scholars clergy and laypeople who read this profound and accessible book will grow in their understanding of both the Old and New Testaments particularly as their eyes are opened to the Bible's unseen world Tremper Longman III Robert H Gundry Professor of Biblical Studies Westmont College *Chester White World*, 1920

**Daniel** Marcos Davila, 2018-03-26 This chapter by chapter exposition of the book of Daniel begins in approximately 605BC with the first invasion of Judah by the cruel and fearsome Babylonian king Nebuchadnezzar Because of Daniel's faithfulness God intervenes on his behalf providing information that no human could possibly know Now blessed with unusual wisdom and the gift of dream interpretation Daniel rises from a Jewish captive to an important position of influence that spans five kings and two empires In his later years Daniel is visited by the archangel Gabriel who reveals to him a part of God's eternal plan pertaining to the future of idolatrous Israel This eternal plan involved the rise of three more empires and a perversely self-willed ruler known in scripture as the little horn This ruler whom history identifies as Antiochus Epiphanes is a type of the coming antichrist Examining his character and actions will aid in the recognition of the future antichrist A Concise Dictionary of the Bible Anonymous, 2023-10-21 Reprint of the original first published in 1875 The publishing house Anatiposi publishes historical books as reprints Due to their age these books may have missing pages or inferior quality Our aim is to preserve these books and make them available to the public so that they do not get lost *The Imperial Bible Dictionary, Historical, Biographical, Geographical and Doctrinal ... Rivers of life, or Sources and streams of the faiths of man in all lands; showing the evolution of faiths from the rudest symbolisms to the latest spiritual developments James George Roche Forlong, 1883 **Septuagint: Numbers** Scriptural Research Institute, 2020-08-10 Since the 1800s the majority of Biblical scholars have interpreted the books of Leviticus and Numbers as a later addition to the original laws of Moses found in Exodus with Deuteronomy being an even later addition during the Babylonian or Persian eras Cosmic Genesis is either considered to be part of Moses' original work or a later addition in the Persian era depending on the scholar Leviticus and Numbers contain several amendments to Moses' laws in Exodus as well as establishing the land rights of the various tribes of Israel within historic Canaan including the assignment

of several cities and their environs to the Levitical Priesthood The most obvious amendment to Moses laws is replacing the sacrifice of the firstborn with the establishment of the Levitical Priesthood Exodus 13 includes a requirement that the firstborn Israelites must be slaughtered as a sacrifice to the Lord however allowed an animal to be substituted This law would not have been difficult for a group of nomadic shepherds to follow but would have become progressively more difficult as the Israelites became more urbanized in Canaan The substitution of the Levitical Priesthood for the firstborn Israelites was established in Numbers chapter 3 This authorized Torah also removed the Korahites from the Temple of Solomon adding the Revolt of Korah to the Torah set long before the Israelites entered Canaan The Sons of Korah or Korahites were a rival priesthood to the Levites that administered the Temple of Solomon from the time of Solomon until Josiah They are believed to have originally been the priesthood of El Elyon at the Jebusite Temple before David conquered them Solomon David s youngest son was an unlikely heir and not the original heir apparent as his elder brother Adonijah attempted to succeed David by marrying Abishag the Shunamite David s youngest wife who was twelve years old at the time However Solomon s Jebusite mother Bathsheba and the prophet Nathan conspired to place the fifteen year old Solomon on the throne and then purged the government of non Jebusites who appear to have all supported Adonijah The Sons of Korah were the authors of some of the Psalms and are documented as existing in Judea as late as the Persian era although seem to have disappeared by the early Greek era Some have theorized they may have formed the priesthood of the Essenes Nazarenes in the late Persian era as the Essenes had another Torah and used different holy books from the other Jews such as the books of Enoch and Jubilees
