Sons Of Abraham:

The Sons of Abraham Tj Johnson, 2021-01-27 The Sons of Abraham is book three of a 4 book series of Bible Studies concentrating on the spiritual trunk of the Jewish family tree The LORD called Abram later renamed Abraham to leave Ur of the Chaldees his native country to go wherever God revealed to him Abram trusted God to show him the way and believed God when He promised to make him a great nation The LORD blessed Abram and his seed of Sarai later Sarah namely Isaac Jacob Jacob s twelve sons and their sons Throughout the Old Testament we read the history of Abraham Isaac and Jacob the sons of promise They would inherit land the LORD showed Abram Abraham At that time their land grant was referred to only as the land of promise Inhabiting that property would take many years Abraham s descendants would have to fight to take possession of their inheritance which was the land of distant relatives the Canaanites But God was with Abraham Isaac and Jacob and promised to bless those who blessed them and curse those who cursed them They had the LORD God Almighty on their side with them all the way But the journey proved to be hard fought and bitter sweet Many of the people were destroyed because of their disbelief or because of their disobedience However the story inside these covers will help you discover for yourself just how much our natural and or spiritual lives have been impacted by our ancestor Abraham Gen 12 1 7 13 14 18 15 18 21 17 1 9 21 12 32 24 30 50 24 Ex 2 23 24 3 6 Num 14 34 Deu 6 3 Heb 11 9 **Abraham's Other Sons** Grant B. Williams, Jr., 2009-08-01 This book is about the Patriarch Abraham and his extended family The people of the Jewish Muslim and Christian beliefs all know that they are the children of Abraham The people of each of these great faiths hold Abraham in extremely high regard but over time their kinship has eroded due to a number of situations and circumstances This book strives to show that all mankind has a common beginning and that mankind and those in the three great faiths not only share a great common history but that they are tied together through the acts of Abraham and his descendants including Isaac Ishmael and Keturah s six sons For it is through these men and their early descendants that we have the Jewish and Christian Isaac Muslim Ishmael and the majority of Keturah s descendants are now also Muslim Herein we provide a fleeting glimpse of mankind from Adam though his early descendants to Noah and his three sons then we focus on Noah s son Ham so that we can look at his four sons Cush the father of Ethiopia Mizraim the father of Egypt Phut the father of West Egypt and Libya and also on Canaan whose descendants originated many nations Here we also take a look at Noah and the famously alleged curse placed not on Ham but one of his sons and we try to discuss this matter from a factual rather than an emotional view In today s world there are growing tensions and mistrust between these three communities Jews Muslims and Christians but if they would take a close look at not only who they are but from where they came they might accept the fact that they are near kinsmen who have more in common than there are differences between them *Go East: Six Sons of Abraham and Keturah* D.E. McReynolds, 2013-08-26 Go East The Romance of Abraham and Keturah the first book concludes with Abraham sending his six sons born to him by his third wife Keturah east See Genesis 25 12 Wanting adventure and to

explore hypothetically they went west where two brothers had already done in tern ship in Sidon one a ship builder the other in government administration These two brothers talked the other four into going back to Sidon with them Settled in things went well why go eastnow Having put east on hold it took a catastrophe the act of the god machine to bring them to their intended destiny and so it was with Abraham and Keturahs six sons Though baggage comes along with the mistakes in our lives sometimes it has a mixed blessing for stabilizing obligations corrections or direction to further the destiny making it more meaningful and appreciated as it happened in the lives of Zimran Jokshan Medan Midian Ishbak and Shuah the sons of Abraham and Keturah Story line is based on scripture and history along with adventure tragedy and romance young men may be involved in *The Holy Bible* ,1814 **Genesis to Job** ,1823 Sons of God, Seed of Abraham Brendan J. No Other Gospel Josh Moody,2011-01-05 As fallen human beings we are quick to deviate from the true gospel for as Pastor Josh Moody writes we tend toward human gospels Believers must constantly battle to maintain the purity and simplicity of the gospel Paul was acutely aware of this as he wrote his letter to the Galatians He was writing to an established church experienced believers who had started to slip in their gospel witness Moody finds in Galatians particular relevance and parallels to many churches today Stemming from a series of sermons delivered to his church he examines thirty one reasons Paul gives for this gospel Moody writes this book with a pastor s heart addressing important topics such as The Gospel Not Moralism and The Use of Gospel Freedom Paul s message is foundational to the Christian faith and thoughtful readers will benefit from Moody s exposition Sons of God-seed of Abraham.
