in a beauty pageant in Italy but quickly ascended to the top of the profession Loren has won every kind of major award from an Oscar to a Golden Globe and she has too many lifetime achievements to count Alongside Shirley Temple and Lauren Bacall Loren is the only living actress who made the American Film Institute's list as one of the Top 50 actresses of the 20th century and as one of just 13 on the list born outside the U S she is unquestionably Italy's most acclaimed and famous actresses Loren's glamorous appearances have been seen by millions of viewers over the last 50 years but few are familiar with what a stark contrast there was between her status as a sex symbol and her difficult childhood Born in Italy in 1934 Loren's family wasn't well to do and she came of age during World War II and being in Italy her family constantly had to deal with Allied bombing campaigns In fact one bombing raid left Loren injured by shrapnel as she attempted to reach shelter She would later note The facts of life are that a child who has seen war cannot be compared with a child who doesn't know what war is except from television Nevertheless shortly after the war she entered a beauty pageant at the age of 14 and was discovered there leading to a career spanning about 60 years Sophia Loren The Life of Italy's Most Famous Actress examines the life and work of one of the world's most famous actresses Along with pictures of important people places and events you will learn about Loren like never before

Life like cinema does not offer us scripts We need to create our own paths with our own mistakes and successes I was never one to stick to what was expected of me For years I was criticized questioned especially for my relationship with Carlo my great love and life partner I remember how difficult it was how we faced prejudice and judgment But love is the most precious thing we can find and I have never regretted fighting for it If I could tell you one thing it would be this love with all the intensity without fear of what others think True love is a foundation that no one can shake As a woman I learned that we need to fight for our dreams even if the world insists that we are not capable Making mistakes is a privilege I have always learned more from my mistakes than from my successes This was one of the biggest lessons I learned How many times have I made mistakes and fallen Numerous And each time I got up with more strength and determination Life has taught me to see beauty in imperfection to accept each scar as part of my story and to walk with my head held high Life always finds a way to teach us what we need to know And mine with all its pains and glories

taught me that true happiness lies in being authentic in loving without reservation and in having the courage to follow our own dreams
