Not in His Image John Lamb Lash,2006-11-15 Lash is capable of explaining the mind bending concepts of Gnosticism and pagan mystery cults with bracing clarity and startling insight His arguments are often lively and entertaining Los Angeles Times In *Not in His Image* John Lamb Lash explains how a little known messianic sect propelled itself into a dominant world power systematically wiping out the great Gnostic spiritual teachers the Druid priests and the shamanistic healers of Europe and North Africa Early Christians burned libraries and destroyed temples in an attempt to silence the ancient truth tellers and keep their own secrets But as Lash reveals the truth cannot be hidden or destroyed *Not in His Image* delves deeply into the shadows of ancient Gnostic writings to reconstruct the story early Christians tried to scrub from

the pages of history exploring the richness of the ancient European Pagan spirituality the Pagan Mysteries the Great Goddess Gnosis the myths of Sophia and Gaia Long before the birth of Christianity monotheism was an anomaly Europe and the Near East flourished under the divine guidance of Sophia the ancient goddess of wisdom The Earth was the embodiment of Sophia and thus sacred to the people who sought fulfillment in her presence This ancient philosophy was threatening to the emerging salvation based creed of Christianity that was based on patriarchal dominion over the Earth and lauded personal suffering as a path to the afterlife As Derrick Jensen points out in the afterword in *Lash's hands* Jesus Christ emerges as the agent provocateur of the ruling classes Sometimes a book changes the world Not in His Image is such a book It is clear stimulating well researched and sure to outrage the experts Get it Improve not just your own life but civilization's chances for survival Roger Payne author of *Among Whales* *Alchemy - The Divine Work* Tommy Westlund, Katarina Falkenberg, 2023-09-23 Alchemy is one of the world's oldest wisdom traditions and has until recently been a secret tradition that was only passed down to the chosen and often through a coded language This is because alchemy touches upon that which nothing can surpass the eternal life of the golden consciousness Alchemy shows the way into the deepest mysteries of existence where our essence our gold can be revealed We can realise our full potential through alchemy access our hidden divine abilities and reach spiritual wholeness The alchemist's work is about making the impossible possible to achieve immortality The metaphor for this transformation is expressed as the refining of dark lead into shining gold This miraculous process is the secret of secrets to which this book carries the keys For the first time the divine work is presented in its entirety by authors with extensive experience in alchemy The book conveys alchemy's history philosophy and practice and instructs the reader on how to become an alchemical master Through this one becomes a divine co creator in both one's own refining process as well as that of the entire creation like a true philosopher a true lover of wisdom **The Ultimate Guide to Goddess Empowerment** Sophia, Rebecca Sargent, 2003-04-02 This empowering book for women is packed with goddess wisdom and lore to help readers achieve success love and abundance **The Modern Revival of Gnosticism and Thomas Mann's Doktor Faustus** Kirsten J.
