Sophocles Electra Antigone Philoctetes:

Sophocles: Electra, Antigone, Philoctetes Sophocles, 1979-06-07 Three tragedies by Sophocles newly translated to make them accessible to the widest possible audience Sophocles Sophocles, 1965 Antigone Disaster follows when Creon King of Thebes forbids Antigone to bury her brother whom he has declared a traitor Oedipus Oedipus has unknowingly killed his father married his mother and had four children by her The play centers around how the persons react as they become aware of the facts Electra Electra recounts the murders of Clytemnestra and Aegisthus by Clytemnestra's son Orestes to avenge their murder of his father Agamemnon commander of the Greeks at Troy upon his return home Philoctetes describes the attempt by Neoptolemus and Odysseus to persuade or trick the disabled Philoctetes into accompanying them to Troy in order to fulfill a prophecy and finally bring the ten year war to a close **Three Tragedies** Sophocles, 1962 Faithful as translations and vigorous and straightforward both to read and to act these versions were written like their originals for immediate stage production Kitto has deliberately used a fairly strict meter allowing himself no greater number of verses than Sophocles used and where the original is formal as in the line by line dialogue the translations too are formal The original rhythmic structure of the lyrics has been approximately represented in the Antigone the lyric passages have been followed as closely as the English language permits Quasi musical indications of tempo or mood have been added to the lyrical portions as a reminder that they were not recited but were a fusion of poetry music and dancing There are brief notes on the dance rhythms on the pronunciation of Greek names and on the mythological allusions in the three plays Antigone Sophocles, 1994 Contains three of Sophocles most famous tragedies Includes introduction textual note chronology and explanatory notes Sophocles: Electra Sophocles, 2007-08-09 Full scale 2007 commentary on a revised Greek text with original metrical analyses of the lyrical sections **Oedipus the King, Philoctetes, Electra, Antigone in Modern Translations** Sophocles, 1962 **Sophocles: Electra** Sophocles, 1973-03-08 In this edition of Sophocles Electra one of the greatest tragedies in Greek or any literature Mr Keels presents the play as a study in revenge but in a subtle way whose meaning depends upon the continuous use of dramatic irony He relates the confrontations of principle and character depicted to the social and political controversies of the period in which Sophocles was writing The introduction describes the background to the play explains some of the main features of Sophocles style and outlines an interpretation which is fully worked out in the detailed commentary There are appendices on metre and the text The edition is intended for use by senior school and undergraduate students and all those concerned to read and appreciate the play in the original The Seven Plays of Sophocles Sophocles, 2014 This eBook version of The Seven Plays of Sophocles Antigone Ajax Oedipus the King Electra The Women of Trachis Philoctetes and Oedipus at Colonus presents the full text of these literary classics **How to Stage Greek Tragedy Today** Simon Goldhill, 2020-09-15 From the stages of Broadway and London to university campuses Paris and the burgeoning theaters of Africa Greek tragedy remains constantly in production This global revival in addition to

delighting audiences has highlighted both the promise and the pitfalls of staging ancient masterpieces in the modern age Addressing the issues and challenges these performances pose renowned classicist Simon Goldhill responds here to the growing demand for a comprehensive guide to staging Greek tragedy today In crisp and spirited prose Goldhill explains how Aeschylus Euripides and Sophocles conceived their works in performance and then summarizes everything we know about how their tragedies were actually staged The heart of his book tackles the six major problems facing any company performing these works today the staging space and concept of the play the use of the chorus the actor's role in an unfamiliar style of performance the place of politics in tragedy the question of translation and the treatment of gods monsters and other strange characters of the ancient world Outlining exactly what makes each of these issues such a pressing difficulty for modern companies Goldhill provides insightful solutions drawn from his nimble analyses of some of the best recent productions in the United States Britain and Continental Europe One of the few experts on both Greek tragedy and contemporary performance Goldhill uses his unique background and prodigious literary skill to illuminate brilliantly what makes tragedy at once so exciting and so tricky to get right The result will inspire and enlighten all directors and performers not to mention the growing audiences of ancient Greek theater

Philoctetes

Sophocles, 2017-02-13 Philoctetes by Sophocles 400 BC Translated by Thomas Francklin When Heracles was near his death the subject of another play by Sophocles The Trachiniae he wished to be burned on a funeral pyre while still alive No one but Philoctetes would light the fire and in return for this favor Heracles gave him his bow Philoctetes left with the others to participate in the Trojan War but was bitten on the foot by a snake while walking on Chryse a sacred ground The bite caused him constant agony and emitted a horrible smell For this reason he was left by Odysseus on the desert island Lemnos Ten years pass and the Greeks capture the Trojan seer Helenus son of Priam He foretells that they will need the master archer

Philoctetes and the bow of Heracles to win the war Odysseus sails back to Lemnos with Neoptolemus son of Achilles to get Philoctetes The task is not easy as Philoctetes bitterly hates Odysseus and the Greeks for leaving him there **The Electra of Sophocles** Sophocles,2015-08-21 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **Dipus Tyrannus, Electra, and Antigone of Sophocles** Sophocles,2023-07-18 *Affect Theory, Genre, and the Example of Tragedy* Duncan A. Lucas,2018-09-08 *Affect Theory Genre and the Example of Tragedy* employs Silvan Tomkins Affect Script theory of human psychology to explore the largely unacknowledged emotions of disgust and shame in tragedy The book begins with an overview of Tomkins relationship to both traditional psychoanalysis and theories of human motivation and emotion before considering tragedy via case studies of Oedipus Hamlet and Death of a Salesman Aligning Affect Script theory with literary genre studies this text explores what motivates fictional characters within the closed conditions of their imagined worlds and how we as an audience relate to and understand fictional characters as motivated humans **The Tangled Ways of Zeus** Alan H. Sommerstein,2010-05-13 A collection of studies written over the last twenty years by the distinguished classicist Alan Sommerstein about various aspects of ancient Greek tragedy and in some cases other related genres It complements his recent collection of studies in Greek comedy Talking about Laughter OUP 2009 **The Oxford Guide to Literature in English Translation** Peter France,2000 Translation has been a crucial process in world culture over the past two millennia and more In the English speaking cultures many of the most important texts are translations from Homer to Beckett the Bible to Freud Although recent years have seen a boom in translation studies there has been no comprehensive yet convenient guide to this essential element of literature in English Written by eminent scholars from many countries the Oxford Guide to Literature in English Translation meets this need and will be essential reading for all students of English and comparative literature It highlights the place of translation in our culture encouraging awareness of the issues raised making the translator more visible Concentrating on major writers and works it covers translations out of many languages from Greek to Korean from Swahili to Russian For some works e g Virgil s Aeneid which have been much translated the discussion is historical and critical showing how translation has evolved over the

centuries and bringing out the differences between versions Elsewhere with less familiar literatures the Guide examines the extent to which translation has done justice to the range of work available The Guide is divided into two parts Part I contains substantial essays on theoretical questions a pioneering outline of the history of translation into English and discussions of the problems raised by specific types of text e g poetry oral literature The second much longer part consists of entries grouped by language of origin some are devoted to individual texts e g the Thousand and One Nights or writers e g Ibsen Proust but the majority offer a critical overview of a genre e g Chinese poetry Spanish Golden Age drama or of a national literature e g Hungarian Scottish Gaelic There is a selective bibliography for each entry and an index of authors and translators

Sophocles: Philoctetes Sophocles, 2013-09-12 Accessible edition with commentary of this widely read but highly complex and challenging play Provides help with morphology grammar and syntax and interpretation of the text in its historical social cultural and intellectual contexts The introduction also gives an account of its reception from antiquity to the present day

Sophocles Electra Antigone Philoctetes Introduction

In today's digital age, the availability of Sophocles Electra Antigone Philoctetes books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Sophocles Electra Antigone Philoctetes books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Sophocles Electra Antigone Philoctetes books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Sophocles Electra Antigone Philoctetes versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Sophocles Electra Antigone Philoctetes books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Sophocles Electra Antigone Philoctetes books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Sophocles Electra Antigone Philoctetes books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free

access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Sophocles Electra Antigone Philoctetes books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Sophocles Electra Antigone Philoctetes books and manuals for download and embark on your journey of knowledge?
