**Decisions and Orders of the National Labor Relations Board** United States. National Labor Relations Board,1976 The Gumshoe and the Shrink

David L Robb,2012-03-15 The Gumshoe and the Shrink is a tale of political intrigue a detective story and medical mystery set against the backdrop of the closest and most storied presidential election in American history It s the never before told account of how the craziest private detective in the country uncovered Richard Nixon s most closely guarded secret that he was seeing a psychotherapist and how that discovery put victory out of Nixon s reach in the 1960 election At the center of the story is a manic depressive private eye named Guenther Reinhardt who in the fall of 1960 set out to destroy Richard Nixon With Election Day just a few months away Reinhardt discovered that Nixon was seeing a psychotherapist And in those days the only thing worse for a politician than needing to see a shrink was actually seeing one Nixon s brilliant psychotherapist Dr Arnold Hutschnecker is the other character at the center of this story Dr Hutschnecker tried heroically to mold Nixon into the person they both wanted him to be a man of peace But like the fictional Dr Frankenstein his experiment failed terribly and a monster was created instead The secret battle for the presidency detailed in The Gumshoe and the Shrink is supported

by two key documents that have never been seen before Guenther Reinhardt's 12 page confidential report on the relationship between Nixon and Dr Hutschnecker and Dr Hutschnecker's unpublished memoirs detailing his treatment of Richard Nixon These documents provide many fascinating insights into their forbidden relationship and into Nixon's tortured psychology
