Discovering the Kingdom Within Rev. Dr. Jacques R. Castel ND D.hom MBT M.MSc NES Ph.D PsyThD QHHT,2022-09-12 This book is founded upon the contents of my post doctoral degree dissertation in the field of Theocentric Psychology in a bid to simplify the intricacy of the Bible in a more reader friendly manner Discovering the Kingdom Within is the title that i have specifically chosen for this book in an attempt to illustrate just that Why Because many still believe that the Kingdom or to be more precise The Kingdom of God is a physical abode that is situated outside of ourselves and in order to attain it many penances are to be experienced before an austere deity so that punishment may be avoided In this book the author has obliterated all biases and prejudices that pertain to religion and has henceforth substituted them with the humble metaphysical teachings of Jesus so that one may discover the ONENESS within and in all that is Based upon this premise the Kingdom becomes a part of who we are not something that we ought to anticipate for at the end of our earthly life
