Hamman, 2014-05-15 Revised and updated edition of a best selling leadership and ministry guide Whether you're a pastor or church leader says Hamman you're called to do the following for yourself develop a deeper sense of inner security nurture your imagination embrace your dark side become aware of your emotions see others as they really are and engage in life with a sense of playfulness Hamman equips you to do all of this and more Get ready for a transformation in your personal ministry and in your relationship with God and become the best pastor you can be **The Soul of God** Ray S. Anderson, 2004-08-02 Description In this theological memoir Ray Anderson takes us on his own journey from the prairie to the pulpit and from the soul of a believer into the soul of a theologian As a sequel to his earlier book *The Soul of Ministry* he shares with us the process by which his own spiritual hunger moved from uneasiness and unrest into a deeper sense of the soul of theology as exploration into the very soul of God Part One In Part Two each chapter traces out the contours of a theology which sings as well as stings After more than 40 years of ministry as pastor teacher and theologian Anderson presents a theological hermeneutic by which Scripture and human experience can be read on the same page If reading this book produces astonishment and wonder at the depth and daring to which God's grace encounters and embraces us through Jesus Christ then that itself will lead us with awe and reverence to behold the soul of God Endorsements In this deeply personal and theologically provocative book Professor Anderson explores the Soul of God and bares his own Stories of pastoring and being pastored are woven into his reflections on Christ the Holy Spirit salvation Christian suffering and a multitude of other themes The reader is invited along on a journey with authors like Kierkegaard Bonhoeffer Barth and Torrance The doxological character of the memoirs is reinforced by the titles of the chapters most of which are named after classic hymns John Calvin claimed that there is no knowledge of God without knowledge of self and there is no knowledge of self without knowledge of God Anderson has embraced both sides of this dialectic demonstrating that theology can be both existentially and intellectually compelling F LeRon Shults Professor of Theology Bethel Theological Seminary *The Soul of God* is practically a greatest hits collection of a lifetime of integrating theology and ministry Ray Anderson has provided a fascinating tour of reflection on theological trends in the past while setting the agenda for a vigorous evangelical theology for

the future The Soul of God is a unique experiment in autobiographical theology mining riches from Anderson's experiences as a farmer a pastor and a professor which cannot help but stimulate anyone seriously interested in the integration of theology and ministry a field that Anderson has pioneered and continues to lead the way Christian Kettler Professor of Theology and Philosophy Friends University About the Contributor's RAY S ANDERSON 1925 2009 was Senior Professor of Theology and Ministry at Fuller Theological Seminary where he has taught for more than thirty years He is the author of more than twenty five books including The Seasons of Hope Marriage and Family Ministry in a Postmodern Culture The Soul of Ministry Ministry on the Fireline and The Shape of Practical Theology Picking Up the Pieces Handbook Chuck

mother's mission to restore her son's faith in God and encourage his desire to live. In her quest to save her son from his despair, Reverend Mosby came to understand the debilitating effects of PTSD on the souls of veterans. She found there were no government resources to heal their broken spirits. Few church communities had either the knowledge of PTSD and its symptoms or the means to support its victims. Reverend Mosby set out to educate those who could help those who suffer. She created a training program to raise awareness of PTSD among church leaders. Encouraged by the program's success, Reverend Mosby began speaking to church groups, veterans organizations, corporations, and at conferences. And now, through this book, she is expanding her reach so that no veterans and their caregivers will ever have to say "The War Stole My Soul with Post Traumatic Stress Disorder (PTSD): What Now?"
