Soul Saving Preaching:

Soul-Saving Preaching Thomas Cook, 1993-08-01 *Soul Saving* John Lincoln Brandt, 1907 *Preaching Christ from the Old Testament* Sidney Greidanus, 1999-07-13 Arguing for the need both to preach Christ in every sermon and to preach regularly from the Old Testament Sidney Greidanus develops a christocentric method that will help preachers do both simultaneously Greidanus challenges Old Testament scholars to broaden their focus and to understand the Old Testament not only in its own historical context but also in the context of the New Testament Suggesting specific steps and providing concrete examples this volume provides a practical guide for preaching Christ from the Old Testament *Great Preaching on Soul Winning*, 2000-08 The New England Soul Harry S. Stout, 2012-01-05 Harry Stout's groundbreaking study of preaching in colonial New England changed the field when it first appeared in 1986 Here twenty five years later is a reissue of Stout's book a reconstruction of the full import of the colonial sermon as a multi faceted institution that served both religious and political purposes and explained history and society to the New England Puritans for one and a half centuries

A History of Preaching Volume 1 O.C. Edwards, Jr., 2010-09-01 A History of Preaching brings together narrative history and primary sources to provide the most comprehensive guide available to the story of the church's ministry of proclamation Bringing together an impressive array of familiar and lesser known figures Edwards paints a detailed compelling picture of what it has meant to preach the gospel Pastors scholars and students of homiletics will find here many opportunities to enrich their understanding and practice of preaching Volume 1 appearing in the print edition contains Edwards's magisterial retelling of the story of Christian preaching's development from its Hellenistic and Jewish roots in the New Testament through the late twentieth century's discontent with outdated forms and emphasis on new modes of preaching such as narrative Along the way the author introduces us to the complexities and contributions of preachers both with whom we are already acquainted and to whom we will be introduced here for the first time Origen Chrysostom Augustine Bernard Aquinas Luther Calvin Wesley Edwards Rauschenbusch Barth all of their distinctive contributions receive careful attention Yet lesser known figures and developments also appear from the ninth century reform of preaching championed by Hrabanus Maurus to the reference books developed in the thirteenth and fourteenth centuries by the mendicant orders to assist their members preaching to Howell Harris and Daniel Rowlands preachers of the eighteenth century Welsh revival to Helen Kenyon speaking as a layperson at the 1950 Yale Beecher lectures about the view of preaching from the pew Volume 2 contained on the enclosed CD ROM contains primary source material on preaching drawn from the entire scope of the church's twenty centuries The author has written an introduction to each selection placing it in its historical context and pointing to its particular contribution Each chapter in Volume 2 is geared to its companion chapter in Volume 1's narrative history Ecumenical in scope fair minded in presentation appreciative of the contributions that all the branches of the church have made to the story of what it means to develop deliver and listen to a sermon A History of Preaching will be the definitive

resource for anyone who wishes to preach or to understand preaching's role in living out the gospel. This work is expected to be the standard text on preaching for the next 30 years, says Ann K. Riggs, who staffs the NCC's Faith and Order Commission. Author Edwards, former professor of preaching at Seabury Western Theological Seminary, is co-moderator of the commission, which studies church uniting and church dividing issues. A History of Preaching is ecumenical in scope and will be relevant in all our churches; we all participate in this field, says Riggs.

Bible Characters Vol. 6 - Our Lord's Characters, Alexander Whyte

Whyte's well-researched collection of Bible biographies has been of indispensable use to pastors, study group leaders, and students of the scriptures for over 100 years. It is the most comprehensive and most well-respected source of material for understanding the characters involved in the events of the Bible ever published. This is indeed the best exposition on Biblical characters ever written. Alexander Whyte reveals insights into the lives of the people of the Bible that casual readers might never find. Then he powerfully applies truths revealed in such a way that the reader is left spiritually convicted and seeking God's mercy.

the Bible But through Alexander Whyte you will come to know them better Next to the Bible you will find Bible Characters the greatest help in understanding the men and women in God s Word Whyte writes brief biographies faithful to the Biblical text Without stretching the truth he stretches our minds to embrace the character of the individuals revealed there He is never superficial He writes like a modern newspaperman in terms of human interest and deep insight It s just as though he had interviewed an individual and returned to the newspaper office to write up the feature The reader of these works will not be disappointed as they will walk away with a deeper and greater understanding of those men and women God used in his Word as examples for us all *Journal and Reports of the ... Annual Session of the Detroit Conference Methodist Episcopal Church*, Detroit Conference,1885 *Minutes of the ... Session of the Michigan Annual Conference of the Methodist Episcopal Church* ,1883 *Sermons of Rev. C.H. Spurgeon of London ...* Charles Haddon Spurgeon,1883 **The Christian Century** ,1921 **Charles H. Spurgeon** Irving W. Risch,2015-05-04 In my thirty plus years as a Christian I have read some of Spurgeon s writings and have always been blessed by them I find it helpful to know and understand the man behind the writings to understand where he is coming from Just like it is impotent to know Jesus Christ and who he really is in order to understand his teachings With that in mind let us look at the life and woks of Charles H Spurgeon *The Presbyterian* ,1902 **The Power of God: Or, Results of Theatre Preaching** William Carter (Preacher.),1863 **If You Want to Preach** Don DeWelt,1957 **Spurgeon's Sermons Volume 05: 1859** Charles Haddon Spurgeon,2017-04-19 Charles Spurgeon was one of the most evangelical and puritan of protestant minister s in the 19th century In the fifth volume of these series of sermons these charismatic and inspiring sermons are enough to encourage convict and inspire anyone who seeks a closer and more intimate relationship with God *The Primitive Methodist Magazine* ,1846
